Bureau of Special Education Support FY' 24 Memo #3

Date: July 20, 2023

To: Superintendents of Schools
Administrators of Special Education From:

Office of the Commissioner of Education

Division of Educational Improvement
Bureau of Special Education Support

RE: HB1624 - Relative to students with disabilities participating in unified co-curricular activities

The New Hampshire Department of Education (NHED), Bureau of Special Education Support (Bureau), is providing information on the recent bill, HB 1624, that passed during the 2021-2022 Legislative Session relative to students with disabilities participating in unified co-curricular activities. This bill established the Unified Co-Curricular Program Fund that will provide school districts with grants of up to \$4,000, per program, with the primary purpose to be for districts which are looking to create new unified co-curricular programs or to expand the offerings of such programs to students. Any remaining funds will be distributed to school districts with pre-existing unified co-curricular programs. It is important to note that unified co-curricular programs are not limited to sports—it can be any activity. Grants to school districts seeking to establish a unified co-curricular program can fund first-year operational expenses of equipment, to include uniforms. Similarly, grants to school districts with pre-existing unified co-curricular programs can be utilized to replace existing equipment, to include uniforms.

Attached to this document is the fillable application form for the Unified Co-Curricular Program Fund. Proposals for unified co-curricular funds should be clear and well-written and must be signed by the appropriate departmental chairperson, program director or administration.

Funds will be distributed through the Grants Management System (GMS). For more information please contact: Brandy A Quinn-Richards at Brandy.A.Quinn-Richards@doe.nh.gov or 603-271-2178.
