RE: New Special Education Coordinator Meetings: for those in the position for three years or less

The New Hampshire Department of Education (NHED), Bureau of Special Education Support is pleased to continue offering a series of informational meetings for new Special Education Coordinators, who have held the coordinator position for three years or less, for the 2023-2024 school year. The intent of these meetings is to provide information and support, related to the special education process, to new Special Education Coordinators through a question-and-answer format.

The Bureau of Special Education Support will be hosting a series of three meetings during the course of this school year. To best accommodate the varying schedules, these meetings will be held virtually (link is forthcoming). The dates and times for these meetings are listed below:

New Special Education Coordinator Meetings:

- ☐ Monday, September 25, 2023, from 9:00am – 11:00am
- ☐ Thursday, December 14, 2023, from 9:00am-11:00am
- ☐ Monday, March 18, 2024, from 9:00am – 11:00am

A registration form, including space for specific questions, needs to be completed and submitted at least two weeks prior to each scheduled meeting to ensure appropriate NHED staff attendance. Ordering your questions by importance will help ensure responses to those topics of greatest concern. You are welcome to register for all three meetings at one time.
