SAU 90 UPDATES
School Board Presentation
June 8, 2021
Introduction: At this time we are preparing for the 2021-2022 School Year

- Focus on safety and wellbeing for all while educating the whole child
- We continue to follow CDC/DHHS guidelines for the safety of our community – students and staff
- Number of positive cases continue to decline
- More and more people are getting vaccinated including students ages 12 and up
- There will not be an option for remote learning
- All students will be entitled to free breakfast and lunch
Status Check:

- CDC/DHHS currently recommends multiple layers of protection. These layers will be reviewed and revised as recommended by CDC/DHHS.
  - 3 feet of social distancing between students, 6 feet when eating
  - Universal masks required until CDC/DHHS says otherwise
  - No masks required outside per CDC/DHHS guidelines which were revised 6/3/2021
  - Cohorting students when possible
  - Avoiding large group gatherings (11 years and under)
  - Cleaning and Sanitizing
  - Health assessments/screeners will be completed by parents and staff prior to the start of school each day (honor system)
Status Check Continued...

- Custodians will continue enhanced frequency of in-depth cleaning.
- Mobile devices have been updated and every student and staff member will continue to have access to a device.
- We have successfully administered spring assessments to all students including our remote students.
- We offered summer programming to all students.
- Travel guidance as recommended by CDC/DHHS will be followed - quarantining for those on cruise ships and those who leave the country unless vaccinated.
