Health Education Biennial Data Collection

Data Collection Location: Complete this data collection through the ESSP in the MyNHDOE Single Sign-On System.

Instruction: Please report if the following topics- Physiology, Hygiene, Health Education (as it relates to the effects of alcohol and drugs), Physical Education (as it relates to the effects of alcohol and drugs), Child Abuse (as defined in RSA 169-C:3,II), Human Immunodeficiency virus (HIV)/Acquired Immunodeficiency Syndrome (AIDS) and Sexually Transmitted Diseases on the human system, are taught as part of the basic curriculum of school.

Due Date: February 16, 2024

Certified: No – data collection does not need to be certified.

In accordance with **RSA 189:10**, the Department of Education is required to ensure that the topics are thoroughly taught as part of the basic curriculum. Please indicate “YES” or “NO” below if your school teaches the following topics. All questions require responses.

All questions require responses. *
