## **1. Introduction**

### **Communication Access Providers for the Deaf and Hard of Hearing**

We are pleased to provide this handbook to clarify the process for hiring qualified communication access professionals. This handbook is a resource guide for interpreter services and other deaf and hard of hearing related resources. Federal and state laws (see Appendix pages 28-29) require communication access services for Deaf and Hard of Hearing consumers in all proceedings and/or services provided by programs receiving state or federal funds. Further questions regarding communication access for Deaf and Hard of Hearing individuals should be addressed to:

State Coordinator, Program for the Deaf and Hard of Hearing  
New Hampshire Department of Education  
Division of Workforce Innovation  
Bureau of Vocational Rehabilitation  
21 South Fruit Street, Suite 20  
Concord, NH 03301

While this handbook includes general information on the hiring process, it should be noted that interpreters are private practitioners and have the right to negotiate their own fees and conditions for contractual employment based on individual certification, experience, and education. The fee schedule is meant to be used by state and municipal agencies for hiring free-lance interpreters for short-term job assignments. Nothing in this section shall be construed to prevent any state department, board, commission, agency or licensing agency or any political sub-division of the state from employing an interpreter on a full-time basis or under contract at a mutually agreed upon compensation rate.

The Resources section may also be of use to you. It includes information on: certification requirements for interpreters, legal requirements for providing communication access, and organizations and agencies that serve the Deaf Community and Hard of Hearing people. Also, the Appendices consist of original printed sources in order to provide more in-depth information (as needed) on interpreter ethics, national interpreter certificates, and federal and state legislation.

This handbook provides you with the information you will need before either contacting an interpreter directly or contacting one of the area interpreter referral services listed on page 3.

Respectfully,

Interpreter Handbook Committee  
State Advisory Committee  
Program for the Deaf and Hard of Hearing  
Division of Workforce Innovation  
New Hampshire Department of Education

## 2. Selecting Qualified Communication Access Providers

### *Basic Guidelines for Selecting the Most Appropriate Communication Access Provider*

In selecting an appropriate communication access provider for a Deaf or Hard of Hearing person, it is recommended that you hire a provider based on the following criteria, listed in order of importance:

- Consumer preference
- Certification
- Skills
- Professionalism
- Availability
- Proximity

Interpreters:

Individuals listed in this handbook have been evaluated nationally or through the New Hampshire Interpreter Classification System. The individual or agency employing an interpreter should be aware of the certification levels and attempt to locate the individual with the most appropriate skill level for the situation. (See Appendix for explanation of certification levels) To determine an appropriate interpreter for the situation, the employing agency or individual needs to know the mode of communication desired by the Deaf or Hard of Hearing person. If this information is not available, it is suggested that a Nationally Certified Interpreter of the highest level be selected, at least for the first meeting.

*What Is a Qualified Interpreter?* A qualified interpreter is not simply a person who can sign, but rather a trained professional who has specialized in the transmission of messages between parties who use different languages. An interpreter has a high degree of fluency in the languages used, specializes in professional communication in a myriad of situations, upholds the ethical standards of the field of ASL-English interpretation, and holds either national certification by the National Association of the Deaf-Registry of Interpreters for the Deaf (NAD-RID), or, when deemed appropriate, has been screened by the New Hampshire Interpreter Classification System (NHICS). Individuals who have received national or state certification may obtain state licensure, thus maintaining high standards for the State of New Hampshire. (Further information on NH Interpreter Licensure is in the Appendix.) Some communication situations may require training or certification in legal, medical, or other specialized subject areas.

Certain situations may require the use of a Certified Deaf Interpreter (CDI). The deaf consumer, the interpreter, or the referral agency may request a CDI to allow adequate communication access for certain deaf consumers. (See Appendix for further explanation of CDI training/experience and potential situations requiring a CDI.)

### *Ethical Standards for Interpreters*

ASL-English interpreters abide by a code of conduct that delineates the underlying ethical standards of the field, the tenets of which are summarized below (see Appendix for the official NAD-RID Code of Professional Conduct):

- Interpreters adhere to standards of confidential communication.
- Interpreters possess the professional skills and knowledge required for the specific interpreting situation.
- Interpreters conduct themselves in a manner appropriate to the specific interpreting situation.
- Interpreters demonstrate respect for consumers.
- Interpreters demonstrate respect for colleagues, interns, and students of the profession.
- Interpreters maintain ethical business practices.
- Interpreters engage in professional development.

### *Communication Access Realtime Translation (CART) Services:*

Communication Access Realtime Translation (CART) services involve the use of stenographers who use a computer to transmit the spoken word into English text via computer screen and/or a projection screen in order to facilitate communication between/among persons who are hearing, deaf, late-deafened, and hard-of-hearing. CART reporting is an option for persons who may not wish to make use of interpreting services and prefer to read written English text.

A list of qualified stenotype reporters who provide CART services in NH is included in this handbook.

When hiring a CART provider, they will need a listing of people present at the assignment, as well as their titles, and names or places that may be mentioned or special terms that may be used during the course of the meeting, teleconference, etc. This information should be faxed or emailed to the CART provider AS SOON AS POSSIBLE to give the reporter ADEQUATE TIME TO PREPARE.

Like interpreters, CART reporters are hired by parties other than State agencies and will NEGOTIATE reasonable fees based on experience, skills, and the nature of the assignment. Mileage will be paid at the current State approved rate.

### **3. The Hiring Process**

#### *Contracting with a Communication Access Provider*

For individuals who would like assistance in locating and hiring interpreters or CART providers, there are several referral services that can help. The service will take general information about the need, and then will do all the work of locating and scheduling appropriate interpreters. Although there is a small fee for this service, it may save you the countless hours on the phone it can sometimes take to find the right interpreter for the job. The referral services are also often aware of Deaf consumers' preferences and communication styles, increasing the likelihood that the interpreter will be a good match for the consumer.

#### *Referral Services*

- [Northeast Deaf & Hard of Hearing Services, Inc. \(NDHHS\)](#) at 603-224-1850 (Voice) or [referral@ndhhs.org](mailto:referral@ndhhs.org).
- [Vermont Interpreter Referral](#) at 1-800-639-1519 TTY/Voice or [VIRS@sover.net](mailto:VIRS@sover.net)
- [Pine Tree Society in Maine](#) at 207-386-5971 (Voice), 207-510-4647 VP, or [interpreting@pinetreesociety.org](mailto:interpreting@pinetreesociety.org)
- [Amharic to Zulu WORDS Foreign Language Translation and Interpreting Services, Inc.](#) at 603-668-6804 Voice or 603-626-0833 Fax or [mail@wordsusa.com](mailto:mail@wordsusa.com)
- [The Language Bank](#) at 603-410-6183 Voce or [info@thelanguagebank.org](mailto:info@thelanguagebank.org)

By providing a qualified interpreter, you will be helping to assure that the communication between the hearing and the deaf person will be effective and efficient.

To increase the possibility of securing an appropriate interpreter/CART provider, requests for services should be made **AT LEAST SEVEN TO TEN WORKING DAYS** prior to the scheduled appointment whenever possible. Be sure to have the following information ready:

- \* any specific requests: e.g., for a specific interpreter, for a particular communication need
- \* type of assignment
- \* specific location (e.g., including room number, or link if remote or virtual)
- \* date and time
- \* length of the assignment
- \* names of persons involved and their positions (this will be kept confidential)
- \* on-site contact person and phone number
- \* payment process (contact person, phone number, and address)
- \* any special parking or security-related information

### *Contacting an Interpreter Directly*

If you prefer to contact/hire an interpreter or CART provider directly, contact information for qualified interpreters and CART service providers available for work in NH is included in this handbook.

### *Who Pays for Services?*

Interpreting services and CART services are considered communication access and are part of making programs and services accessible to persons with disabilities. Most public and many private entities are obligated by provisions of the **Americans with Disabilities Act** and/or **Section 504 of the Rehabilitation Act of 1973** to provide accessibility for persons with disabilities, including:

- \* places of employment
- \* medical service providers
- \* federal, state, and municipal government entities
- \* public and private agencies and service providers
- \* public and private educational institutions
- \* performances and events open to the public (whether publicly or privately funded)

More detailed information about each of these laws and their provisions can be found in the Appendix of this handbook.

### *Accepted Hiring Practices in NH*

The following is a guide for hiring interpreters and is considered standard for the field. Please note that hourly rates, mileage reimbursement, and cancellation policies may vary by state.

#### **CONTRACT TIME:**

The time scheduled: The interpreter is paid for the entire time for which they have originally been scheduled (including expected travel time (see Travel Expenses below)). This includes any time when the interpreter is not actually interpreting but is on location and available to interpret, including any waiting time, breaks, and meal times. Ongoing assignments or contractual agreements may be negotiated to vary from this as appropriate prior to confirmation of the assignment.

Long assignments/Two or more interpreters: For lengthy assignments such as all-day conferences and long meetings, hiring more than one interpreter is recommended to allow alternating every 20-30 minutes. Studies have shown that fatigue influences the quality of information expressed through an interpreter. Ideally, an interpreter can be relieved after approximately 20-30 minutes. All interpreters are to be paid their full rate for the entire time on location.

Two-hour minimum: It is standard for interpreters to bill a two-hour minimum. These two hours do include driving time (see Travel Expenses below).

#### **EXTENSION OF ASSIGNMENT:**

The interpreter may continue past the contracted time if all parties agree to continue, and the interpreter is available. It is generally necessary for the interpreter to obtain supplemental authorization from the hiring agency before continuing past the contracted time.

#### **TRAVEL EXPENSES:**

Mileage: The interpreter is paid mileage from their home to the location of the assignment and back. For assignments with the State of New Hampshire, mileage is paid at the current state rate utilizing appropriate state charts or the equivalent. Interpreters may use their odometer reading when submitting an invoice to claim mileage.

Driving time: Interpreters are paid their regular hourly rate for driving time.

**Tolls:** It is general practice (and required by state agencies) that reimbursement for tolls requires submission of receipts.

**CANCELLATION POLICY:**

**48 hours' notice:** If an interpreter has been scheduled for an assignment and it is cancelled within 48 hours, or two full business days, of the actual assignment, the interpreter will bill for the entire block of time scheduled. This is general practice because it is difficult for interpreters to replace assignments that have been cancelled within a 48-hour period. Be aware that individual interpreters' cancellation policies may vary.

If for any reason the interpreter cannot make an assignment, the interpreter will be responsible for making appropriate arrangements, depending on the availability of other interpreters.

*Grievance Procedure*

If you are dissatisfied with the professionalism, quality of services, or ethical behavior of an interpreter, you may contact NH Board of Licensure of Interpreters for the Deaf and Hard of Hearing via the Program for the Deaf and Hard of Hearing, Division of Workforce Innovation at 21 South Fruit Street, Suite 20, Concord, NH 03301 or at [licensureboard@doe.nh.gov](mailto:licensureboard@doe.nh.gov).

## INTERPRETER LICENSURE

The New Hampshire Interpreter Licensure law, RSA 326-I which became effective January 1, 2003 requires that interpreters for the deaf and hard of hearing hold a license in order to receive remuneration and to practice as an interpreter in New Hampshire. A license is good for three years and shall automatically expire on the first day of September, three years after the date the license was issued by the board. An interpreter who wishes to apply for a license in New Hampshire submits an application provided by the board and pays the application fee. License applications may be obtained by contacting the New Hampshire Board of Licensure of Interpreters for the Deaf and Hard of Hearing, c/o Division of Workforce Innovation, Bureau of Vocational Rehabilitation, Program for the Deaf and Hard of Hearing, 21 South Fruit Street, Suite 20, Concord, NH 03301 or the website: <https://www.education.nh.gov/who-we-are/deputy-commissioner/bureau-of-vocational-rehabilitation/interpreter-licensing-board> The required criteria may be found in the statute RSA 326-I:9 I and in the rules Chapter 300 Int 301.01(k) and (l).

Licensure is not required for working in religious or educational (K-12) settings. Interpreters working in emergency situations where the parties determine that the delay to obtain a licensed interpreter is likely to cause injury or loss are exempt. Interpreters working for a school district shall not relieve a school district of its obligation to provide licensed interpreters to students, staff, parents or others when required by the Americans for Disabilities Act or by any other federal or state law. The above may be referenced in the statute RSA 326-I:7 IV and in the rules Chapter 300 Int 301.01 (b).

Licensed interpreters are obligated to obey the professional conduct standards and professional principles as set forth in the rules Chapter 500, Int 501.03 and Int 501.04 respectively.

The Board of Licensure holds statutory jurisdiction to make decisions on applications for licensure and complaints filed against licensees. A written allegation of professional misconduct against a licensed interpreter should be addressed to the board. A complaint which raises genuine issues of professional misconduct will initiate a formal disciplinary hearing. A prehearing conference can be scheduled if the presiding officer determines that to do so would facilitate the hearing or encourage resolution of the dispute. The above may be referenced in the statute RSA 326-I:4 III and 326-I:14 and 15 and in the rules Chapter 200 Int 204.01-03 and Int 210.

Non-resident interpreters certified by the National Registry of Interpreters for the Deaf (RID) or the National Association of the Deaf (NAD), levels IV and V, who have completed RID-approved legal interpreter training or who hold a legal specialty certificate (RID SC:L) when working in court settings in New Hampshire are not required to be licensed, provided that such interpreter shall be subject to disciplinary procedures of the board.

In special circumstances, a deaf or hard of hearing citizen may apply in advance for a waiver from using a licensed interpreter for that one instance. Applications are available on the website. Submit completed applications to 603-271-7095 Fax.

## **NATIONAL INTERPRETER CERTIFICATIONS**

The certificates described below are an indication that the interpreter or transliterator was assessed by a group of professional peers according to a nationally recognized standard of minimum competence. The individual's performance was deemed to meet or exceed this national standard.

### **NIC (National Interpreter Certification)**

All three levels of this certification are considered professional-level certified interpreters. For the interview portion, certificate holders have demonstrated decision-making skills that meet or exceed basic professional standards. For the performance portion, certificate holders have demonstrated interpreting and transliterating performances that meet or exceed basic professional standards. Holders of all levels of the NIC are recommended for a broad range of interpretation and transliteration assignments.

#### **NIC**

Those who pass at this level have shown basic professional-level interpreting and transliterating skills.

#### **NIC Advanced**

Those who pass at this level have scored within the standard range on the interview portion and high on the performance portion of the examination.

#### **NIC Master**

Those awarded the NIC Master designation scored high on both the interview and performance portions of the test.

### **RID (Registry of Interpreters for the Deaf) Certificates**

#### **CI (Certificate of Interpretation)**

Holders of this certificate are recognized as fully certified in Interpretation and have demonstrated the ability to interpret between American Sign Language (ASL) and spoken English in both sign-to-voice and voice-to-sign. The interpreter's ability to transliterate is not considered in this certification. Holders of the CI are recommended for a broad range of interpretation assignments. This test is no longer available.

#### **CT (Certificate of Transliteration)**

Holders of this certificate are recognized as fully certified in Transliteration and have demonstrated the ability to transliterate between English-based sign language and spoken English in both sign-to-voice and voice-to-sign. Generalist certification for interpreters/transliterators who are Deaf or hard-of-hearing (RSC, CDI-P, or CDI) is required prior to enrollment in the training program. This permit is valid until one year after the Specialist Certificate: Legal written and performance test for Deaf interpreters is available nationally. CLIP-R holders must take and pass the new legal certification examination in order to maintain certification in the specialized area of interpreting in legal settings. Holders of this conditional permit are recommended for a broad range of assignments in the legal setting. The CLIP-R is still offered.

#### **CDI-P (Certified Deaf Interpreter-Provisional)**

Holders of this provisional certification are interpreters who are Deaf or hard-of-hearing and who have demonstrated a minimum of one year experience working as an interpreter, completion of at least 8 hours of training on the RID Code of Ethics, and 8 hours of training in general interpretation as it relates to the interpreter who is Deaf or hard-of-hearing. #### *\* About the CDI*

A Certified Deaf Interpreter (CDI) is an individual who is deaf or hard of hearing and has been certified by the Registry of Interpreters for the Deaf as an interpreter.

#### *Specialized Training and/or experience*

In addition to excellent general communications skills and general interpreter training, the CDI may also have specialized training and/ or experience in use of gesture, mime, props, drawings, and other tools to enhance communication. The CDI has an extensive knowledge and understanding of deafness, the deaf community, and/or Deaf culture which combined with excellent communication skills, can bring added expertise into both routine and uniquely difficult interpreting situations. Some situations may involve individuals who:

- Use idiosyncratic non-standard signs or gestures such as those commonly referred to as “home signs” which are unique to a family
- Use a foreign sign language
- Have minimal or limited communication skills
- Are deaf-blind or deaf with limited vision
- Use signs particular to a given region, ethnic or age group

Have characteristics reflective of Deaf Culture not familiar to hearing interpreters.

### **NAD (National Association of the Deaf) Certificates**

#### **NAD V (Master) - Superior Performance**

Possesses superior voice-to-sign skills and excellent sign-to-voice skills. Demonstrates excellent to outstanding ability in any given area. Performance is with a minimum of flaws. Demonstrates interpreting skills necessary in almost all situations.

#### **NAD IV (Advanced) - Above Average Performance**

Possesses excellent voice-to-sign skills and above average sign-to-voice skills, or vice versa. Demonstrates above average skill in any given area. Performance is consistent and accurate. Fluency is smooth, with little deleted, and the viewer has no question to the candidate’s competency. Should be able to interpret in most situations.

#### **NAD III (Generalist) - Average Performance**

Possesses above average voice-to-sign skills and good sign-to-voice skills, or vice versa. Demonstrates the minimum competence needed to meet generally accepted interpreter standards. Occasional words or phrases may be deleted but the expressed concept is accurate. Has good control of the grammar of the second language. Is generally accurate and consistent but is not qualified for all situations.

## **THE NEW HAMPSHIRE INTERPRETER CLASSIFICATION SYSTEM (NHICS)**

The NHICS is an entry level examination testing your skill and ability to appropriately apply the NAD/RID Code of Professional Conduct and successfully interpret between spoken English and American Sign Language. Successful candidates will be awarded their NHICS (which is valid for a total of 6 years) and are eligible to apply for NH Interpreter Licensure.

If you are interested in taking the NHICS, please contact Lynn Littlefield at [lynn.littlefield@doe.nh.gov](mailto:lynn.littlefield@doe.nh.gov) or call at 603-271-3877 to request an application packet. The application packet will include:

- ✓ *A copy of the RID/NAD Code of Professional Conduct.*
- ✓ *A confidentiality statement*
- ✓ *Application to be filled out by candidate*
- ✓ *Two (2) reference forms to be filled out and sent to the NHICS Coordinator.*
- ✓ *NHICS Information packet*

Applications will be reviewed for completeness and evidence of completion of the requirements before approval is granted. Candidates are responsible to check in regarding the status of their paperwork and to make sure all references have been received.

Once your application has been completed and approved, you will be contacted to schedule an appointment. Appointments are scheduled on a first come, first served basis. All screening appointments will take place at the state offices of the Bureau of Vocational Rehabilitation, 21 South Fruit Street, Concord, NH 03301.

### The test:

The two portions of the NHICS, the interview and the performance, will be administered on the same day.

1. Interview: The interview is pass/fail. A score of 75% or higher is required to pass. Candidates whose applications are accepted will be scheduled for an interview. During the interview, you will be shown a video featuring two interviewers who will ask eight (8) questions. Each question will be asked two (2) times. Your answers to the questions will be videotaped.

The Deaf interviewer will ask questions in American Sign Language (ASL) and the interviewer who can hear will ask questions in spoken English. You should answer the question using the same language in which it was asked. These questions will be based on the Code of Professional Conduct and your application of that to real life situations.

2. Performance Examination: The performance examination is pass/fail; a score of 75% or higher is required to pass.
  - a. Warm-up: Before the actual examination, candidates will have a 30-minute warm-up period. During that time they will have an opportunity to watch/listen to a DVD introducing the speakers/signers involved in the actual screening. These introductions are short (about one minute each) to allow candidates time to review the introductions of each speaker, multiple times if necessary.
  - b. Selections: The performance examination will include two (2) selections of videotaped dialogue of approximately eight (8) minutes each requiring the candidate to both interpret spoken English into ASL and ASL into spoken English.

The performance portion will also be videotaped.

A copy of the videos of both the interview and the performance will be sent to a total of 4 raters (2 who are deaf/hard of hearing and 2 who can hear).

For the interview, the team will assess the candidate's knowledge of and ability to apply information regarding the RID/NAD Code of Professional Conduct; interpreter business practices; and resources for interpreters and deaf and hearing consumers. The raters will also evaluate candidate's communication skills (spoken and signed) and professional presentation.

For the performance, the team will assess the ability to comprehend the applicant, based on the applicant's clarity, use of grammar, level of discourse, use of classifiers, message equivalency transmitted by the applicant, the interpreting process and the applicant's professionalism.

To request a packet and start the NHICS process, please contact Lynn Littlefield at [lynn.littlefield@doe.nh.gov](mailto:lynn.littlefield@doe.nh.gov) or call at 603-271-3877.
