¹⁾ High-poverty schools are identified by the number of students qualifying for free and reduced-price meals. This data was determined on a district-wide basis across grade span, incuding elementary, middle and birds school

middle and high school.

2) The base year for measuring FY 22 compliance is FY 2021. However, we are using school year 2019-2020 pupil data for our FY 2021 base year measurements. This is because adequacy funding is one year behind and USED allowed enrollment data to align with State funding formulas.

1) When the SEA will determine LEAs are not compliant?

The SEA will measure Local MOEQ compliance for the 2021-2022 fiscal year following receipt and review of each school district's Annual Financial Report (DOE-25) by December 1, 2022.

What is the date that the SEA will require non-compliant LEAs to describe what adjustments the LEA will make to be in compliance prior to the start of the next school year?

The SEA will require non-compliant LEAs to describe what adjustments the LEA will make to be in compliance prior to the start of the next school year by <u>December 31</u>, 2022.
