If option (2) or (3) is selected, please explain how the plan was implemented or why no further action is required in the space below:

Letters were sent to all students who qualified for ESY and summer school intervention. Daily attendance was taken. Students who did not attend daily received a phone call to verify a legitimate absence. In regard to after school programming, the district was unable to secure staffing to accommodate students who could have benefited to additional support. For the 2022-2023 school year, funding and staffing have been secured for a rigorous after school program.
