LEA ARP ESSER Plan: “A Plan for the LEA's Use of ARP ESSER funds”

The American Rescue Plan Elementary and Secondary School Emergency Relief (“ARP ESSER”) Fund, authorized under the American Rescue Plan (“ARP”) Act of 2021, provides nearly $122 billion to States to support the Nation’s schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the coronavirus disease 2019 (“COVID-19”) pandemic.

This template is intended to collect all federally-required information from an LEA in a convenient format and to assist LEAs in meeting the federal requirement that, within 90 days of receiving ARP ESSER LEA allocation (90% of New Hampshire’s total allocation), an LEA shall publish an LEA ARP ESSER Plan, which is often called a “school district use of funds plan.”

I. General Information

1. LEA Name: Milton School District

2. Date of Publication: August 20, 2021

3. Contact Name and Title: Jerry Kiesman

4. Email and Telephone: Jerry.kiesman@sau64.org

II. Transparency and Accessibility

1. This plan for the LEA’s Use of ARP ESSER funds was published and made publicly available online at the following specific web address:

   Description: The 2020-2021 Plan was posted on SAU 64.org and throughout the year when each amendment was made starting on August 17, 2020.

   The 2021-2022 plan was posted on Aug 20, 2021 and was also emailed to all parents who signed up for emails.

2. The plan is in an understandable and uniform format (please check one):

   Yes: [✓] Somewhat: [ ] No: [ ]

   Description: The plan was developed into an easy to read chart. The language is short and concise.

3. The plan, to the extent practicable, is written in a language that parents can understand or, if not practicable to provide written translations to a parent with limited English proficiency, orally translated (please check one):

   Yes: [✓] Somewhat: [ ] No: [ ]

   Description: Parents/families can contact us at anytime. The format and chart are easy to follow.

4. The plan, upon request by a parent who is an individual with a disability, is provided in an alternative format accessible to that parent (please check one):

   Yes: [✓] Somewhat: [ ] No: [ ]

   Description: We will provide a 1 page list of expectations to those who need an alternative format.
III. Stakeholder Engagement

1. How the LEA will provide the public the opportunity to provide input in the development of the LEA’s plan for the use of ARP ESSER funds and take such input into account:

   Description: We individually contacted all parents/guardians with IEPs to verbally ask them for the supports they need. Additionally, a survey was sent out for input. Then we held a public forum/schoolboard meeting that was only focused on this plan.

2. How the LEA engaged in meaningful consultation with specific stakeholders, including, but not limited to:

   a. Students (please check one):
      Yes: [ ] Somewhat: [ ] No: [ ]
      Description: Students were emailed the survey and attended the public forum.

   b. Families (please check one):
      Yes: [ ] Somewhat: [ ] No: [ ]
      Description: A survey was sent out for input. Then we held public forum/schoolboard meeting that was only focused on this plan.

   c. School and district administrators, including special education administrators (please check one):
      Yes: [ ] Somewhat: [ ] No: [ ]
      Description: They were on the committee for developing the plan.

   d. Teachers, principals, school leaders, other educators, school staff, and their unions (please check one):
      Yes: [ ] Somewhat: [ ] No: [ ]
      Description: They were on the committee for developing the plan. Teachers are not required to work in the summer.

      Description: We followed recommendations from the civil rights and disabilities organizations.

   g. Stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children and youth in foster care, migratory students, children who are incarcerated, and other underserved students (please check one):
      Yes: [ ] Somewhat: [ ] No: [ ]
      Description: A survey was sent out for input. Then we held public forum/schoolboard meeting that was only focused on this plan.

   h. Community-based organizations, including partnerships to promote access to before and after-school programming (please check one):
      Yes: [ ] Somewhat: [ ] No: [ ]
      Description: A survey was sent out for input. Then we held public forum/schoolboard meeting that was only focused on this plan. The PTA and community were contacted and present for the community forum on August 10th.

   i. Early childhood education providers and families, including partnerships to ensure access to and continuity of care for families with children of different ages, particularly as they transition to school (please check one):
      Yes: [ ] Somewhat: [ ] No: [ ]
      Description:
IV. Supporting the Continuous and Safe Operation of In-Person Learning

1. The extent to which and how LEA ARP ESSER funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning:
   (Note federal regulation on this plan requires such reporting, but does not require adoption of CDC safety recommendations. The NH DOE recognizes schools will implement localized safety measures based on the guidance provided by the CDC, NH Public Health, and local public health officials.)

   Description during SY21-22: Student desks will have shield and be 3 feet apart whenever available.

V. Addressing the Academic Impact of Lost Instructional Time (20 percent of an LEA’s Allocation)

1. How the LEA will identify individual student learning loss, including among students most likely to have experienced the impact of lost instructional time on student learning, such as:
   a. Students who did not consistently participate in remote instruction when offered during school building closures;
   b. Students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years; and
   c. Students most at-risk of dropping out of school.

   Description during SY21-22: We are in the process of developing an after school program or extra supports during the day for students who are behind.

2. How the LEA will use the funds it reserves under section 2001(e)(1) of the ARP Act (totaling not less than 20 percent of the LEA’s total allocation of ARP ESSER funds) to address the academic impact of lost instructional time for such students through the implementation of evidence-based interventions as defined by ESSA (https://ies.ed.gov/ncee/wwc/essa), such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year:

   Description during SY21-22: We are in the process of developing an after school program or extra supports during the day for students who are behind.

   Description during SY22-23:

   Description during SY23-24:

3. How the LEA will use the funds it reserves to address the academic impact of lost instructional time through:
   a. Individualized tutoring, including providing stipends to teachers for intensive, supplemental tutoring (please check one):
      Yes: [ ] Somewhat: [✓] No: [ ]

   Description:

   b. Teacher-directed professional development, in which teachers choose the professional development opportunities best suited to their career pathway and current learner needs (please check one):
      Yes: [ ] Somewhat: [✓] No: [ ]

   Description:

4. How the LEA will produce evidence of the effectiveness of evidence-based learning loss interventions employed:

   Description: We will use SAS, NWEA, and Exact Path data to track learning loss and gains this year.
VI. Addressing Learner and Community Needs (80 percent of an LEA’s Allocation)

1. After accounting for the funds reserved under section 2001(e)(1) of the ARP Act, how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) of the ARP Act (See Appendix A.):

Description during SY21-22: Stipends and supports for staff, academic supports, and community based incentives to connect the community back to the school for SEL Support.

Description during SY22-23: Stipends and supports for staff, academic supports, and community based incentives to connect the community back to the school for SEL Support.

Description during SY23-24: Stipends and supports for staff, academic supports, and community based incentives to connect the community back to the school for SEL Support.

2. The LEA’s use of funds to address the top priority needs identified in the New Hampshire Department of Education’s robust, statewide consultation with stakeholders:

a. Providing individualized instruction:
   - During SY21-22 (check one): Yes: ☑ Somewhat: ☐ No: ☐
   - During SY22-23 (check one): Yes: ☐ Somewhat: ☑ No: ☐
   - During SY23-24 (check one): Yes: ☐ Somewhat: ☑ No: ☐

Description of all SYs:

b. Addressing educator fatigue, including providing performance-based bonuses to teachers:
   - During SY21-22 (check one): Yes: ☐ Somewhat: ☑ No: ☐
   - During SY22-23 (check one): Yes: ☐ Somewhat: ☑ No: ☐
   - During SY23-24 (check one): Yes: ☐ Somewhat: ☑ No: ☐

Description of all SYs: We are researching how to do this.

c. Improving family engagement:
   - During SY21-22 (check one): Yes: ☑ Somewhat: ☐ No: ☐
   - During SY22-23 (check one): Yes: ☑ Somewhat: ☐ No: ☐
   - During SY23-24 (check one): Yes: ☑ Somewhat: ☐ No: ☐

Description of all SYs: We are holding a district wide open house to bring the community and family together and to the school. We are planning more events and buying incentives for families.

3. The LEA’s use of funds to address the following additional needs identified in the New Hampshire Department of Education’s robust, statewide consultation with stakeholders:

a. What amount and percentage of the LEA’s total allocation will be administered under school leader discretion:
   - Amount: 
   - Percentage: 

Allocation methodology including the extent to which it reflected student need for, at minimum, Special Education, Free and Reduced-Price Lunch, and English Language Learners:
b. What amount and percentage of the LEA’s total allocation will be used to support Career and Technical Education:
   Amount: ________________
   Percentage: ________________
   Description, including funds used to support learner obtainment of industry-recognized credentials:
__________________________

c. The extent to which funds will be used to provide access to course access opportunities, including advanced, elective, and remedial courses provided outside of the residential public school that a learner could not otherwise access:
   During SY’s 21-24 (check one):   Yes:   Somewhat: ✓   No:   
   Description of all SYs:
__________________________

VII. Addressing the Unique Needs of All Learners

1. How the LEA will ensure that the interventions it implements will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.
   Description: We will use SAS, NWEA, and Exact Path data to track learning loss and gains this year.

Appendix A. ARPA Statutory Excerpt

(e) USES OF FUNDS.—A local educational agency that receives funds under this section—

(1) shall reserve not less than 20 percent of such funds to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive after-school programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on the student subgroups described in section 1111(b)(2)(B)(xi) of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6311(b)(2)(B)(xi)), students experiencing homelessness, and children and youth in foster care; and

(2) shall use the remaining funds for any of the following:
   (A) Any activity authorized by the Elementary and Secondary Education Act of 1965.
   (B) Any activity authorized by the Individuals with Disabilities Education Act.
   (C) Any activity authorized by the Adult Education and Family Literacy Act.
   (E) Coordination of preparedness and response efforts of local educational agencies with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to coronavirus.
   (F) Activities to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including how outreach and service delivery will meet the needs of each population.
   (G) Developing and implementing procedures and systems to improve the preparedness and response efforts of local educational agencies.
   (H) Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases.
   (I) Purchasing supplies to sanitize and clean the facilities of a local educational agency, including buildings operated by such agency.
   (J) Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the Individuals with Disabilities Education Act and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.
   (K) Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the local educational agency that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.
   (L) Providing mental health services and supports, including through the implementation of evidence-based full-service community schools.
   (M) Planning and implementing activities related to summer learning and supplemental after-school programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, children with disabilities, English learners, migrant students, students experiencing homelessness, and children in foster care.
   (N) Addressing learning loss among students, including low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care, of the local educational agency, including by—
      (i) administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction;
      (ii) implementing evidence-based activities to meet the comprehensive needs of students;
      (iii) providing information and assistance to parents and families on how they can effectively support students, including in a distance learning environment; and
      (iv) tracking student attendance and improving student engagement in distance education.
   (O) School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.
   (P) Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and non-mechanical heating, ventilation, and air
