

New Hampshire School Designations for Fall 2022

**Reported by the New Hampshire Department of Education (NHED)
Bureau of Assessment and Accountability
November 10th, 2022**

The Every Student Succeeds Act (ESSA) requires states to make available the number and names of public schools identified for Comprehensive Support and Improvement and Targeted Support and Improvement (Section 1111(h)(5)(C)). This report contains the list of schools identified during the Fall 2022 cycle.

For questions regarding the state ESSA plan, school designations and the accountability system, please reach out to Accountability@doe.nh.gov. The approved ESSA Consolidated State Plan and relevant guidance materials can be found on the [NHED website](#) or the [appendix](#) of this document.

Comprehensive Support and Improvement Schools

Comprehensive support and Improvement (CSI) schools are the lowest-performing five percent of all schools in the state receiving Title I, Part A funds and all high schools in the state with a 4-year graduation rate less than 67%, regardless of the Title I status. CSIs are identified every three years. The following schools have been identified as CSIs for the Fall of 2022:
