The American Rescue Plan Elementary and Secondary School Emergency Relief ("ARP ESSER") Fund, authorized under the American Rescue Plan ("ARP") Act of 2021, provides New Hampshire over $350 million to support schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the coronavirus disease 2019 ("COVID-19") pandemic.

This mandatory template is intended to collect all federally required information from an LEA in a convenient format and to assist LEAs in meeting the federal requirement that, requirement that, an LEA shall publish an LEA ARP ESSER Plan, which is often called a “school district use of funds plan.” See the Department of Education's most current guidance posted here: https://omb.report/icr/202201-1810-002/doc/117519100.

2) **Inclusive:**

Any stakeholders that are involved in the districts students are engaged in dialogue regarding the effect of COVID 19 has on affected students.

3) **Widely advertised and available:**

TTCC and Project Promise staff have been consulted to determine the needs of before and after school program and the needs of the districts students.

4) **Ongoing:**

The teachers and administrators of the district that have direct contact with the above stakeholders continue to have meaningful discussions in regards to the students who are affected by the effects of COVID 19. Data is gathered and analyzed to determine further needs of the above students needs.

#### i. Early childhood education providers and families, including partnerships to ensure access to and continuity of care for families with children of different ages, particularly as they transition to school (please check one):

**No**

1) **Description:**

The LEA supports early childhood services for children ages birth to two, with disabilities, who are transitioning to preschool. Preschool is available for children ages 3 to 4 with and without disabilities. The LEA has an annual MOI with Headstart and the district Social Workers develops community partnerships and we accept local childcare referrals.

4) **Ongoing:**

District staff and administration have meaningful relationship with the TTCC organization which closely works with and employs district staff. The unique needs of the districts students due to COVID 19 has initiated the development of academic resources to help the student population.
IV. Supporting the Continuous and Safe Operation of In-Person Learning

1) The extent to which and how LEA ARP ESSER funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning:

*Note: Federal regulation on this plan requires such reporting, but does not require adoption of CDC safety recommendations.*

The NH DOE recognizes schools will implement localized safety measures based on the guidance provided by the CDC, NH Public Health, and local public health officials.

*Description During SY 2021-2022:*

Newfound Schools are open for full time, in person instruction five days a week. The continued transmission and variants of the COVID 19 virus remains unpredictable and the LEA responds daily to changing health conditions. Newfound follows NH DHHS guidelines to keep the schools open and safe for both staff and students. Mitigation strategies and frequent review of Reopening plan guidelines ensures the districts commitment to provide in person education to all students while emphasizing the importance of physical and emotional wellness of students and staff. The use of ESSER funds to purchase PPE, provide ongoing training which focuses on health and safety for students and staff, hygiene and sanitization are ongoing. The use of ESSER funds to improve health and safety within our facilities to include ventilation, window replacement and roof replacement enable continued in person learning. District administration continues to monitor changes and make adjustments as necessary.
### V. Addressing the Academic Impact of Lost Instructional Time (At least 20 percent of an LEA’s Allocation)

1) How the LEA will identify individual student learning loss, including among students most likely to have experienced the impact of lost instructional time on student learning, such as:
   - Students who did not consistently participate in remote instruction when offered during school building closures;
   - Students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years; and
   - Students most at-risk of dropping out of school.

**Description During SY 2021-2022:**
The District hired a tutor, two literacy specialists, a paraprofessional for the student support center, three full time substitutes and increased the psychologist and guidance counselors to full time. This enabled the District to focus on students who were highly impacted due to COVID 19. Increased academic evaluations identified at risk students who then received tutoring, comprehensive afterschool programs and summer learning opportunities.

2) How the LEA will use the funds it reserves to address the academic impact of lost instructional time through:

**Description During SY 2021-2022:**
The continued employment and hiring of the above staff in conjunction with professional development for staff to identify learning loss in students, enabled programs to be developed. Increased summer school opportunities for all grades to address learning loss. Hiring consultant to begin the foundational implementation of MTSS in K-12 due to many students not making academic gains needed to be on grade level.

**Description During SY 2022-2023:**
Continued PD for teachers and purchasing of online assessment tools to identify student needs. Scheduling program that allows teachers and advisors to schedule students for interventions during flex time and before or after school to address learning loss. Evaluation of assessment data to make plans to deal with learning loss. The purchase and implementation of CKLA aliens with the science of reading.

**Description During SY 2023-2024:**
Ongoing and continued support as noted from SY 2021 through 2024.

3) How the LEA will use the funds it reserves to address the academic impact of lost instructional time through:
   - Individualized tutoring, including providing stipends to teachers for intensive, supplemental tutoring (please choose one):

   **Yes - Description Required**
   - Description:
   The LEA hired additional tutors and paraprofessional to help with learning loss at the student support center. Students can self referral or referral could be be from parents/guardians and educators. A scheduling program that allows teachers to schedule students for interventions and tracks those students to focus on learning loss.

   **Description:**
   b. Teacher-directed professional development, in which teachers choose the professional development opportunities best suited to their career pathway and current learner needs (please choose one):

   **No**
   - Description:
   The LEA geared professional development toward district goals regarding learning loss. The LEA did not offer teachers to choose their own professional development at this time.

4) How the LEA will produce evidence of the effectiveness of evidence-based learning loss interventions employed:

**Description:**
Achievement will be measured through local assessments, NWEA, SAS, PSAT and Dibels. Ongoing assessments with Zearn and analysis of all data will provide evidence of effectiveness of plans.
### VI. Addressing Learner and Community Needs (Up to 80 percent of an LEA’s Allocation)

1) After accounting for the funds reserved under section 2001(e)(1) of the ARP Act, how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) of the ARP Act (See Appendix A):

**Description During SY 2021-2022:**
Training and PD for staff - Appendix A (h). Purchase education technology - Appendix A (k).

**Description During SY 2022-2023:**
School Facility Improvements - Appendix A - (O); Health and Safety - Appendix A - (P); Planning summer learning - Appendix A - (M).

**Description During SY 2023-2024:**
Purchase education technology - Appendix A - (K); School Facility Improvements - Appendix A (O); and TBD after evaluation of SY22-23.

2) After accounting for the funds reserved under section 2001(e)(1) of the ARP Act, how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) of the ARP Act (See Appendix A):

   a. Providing individualized instruction:

3) The LEA’s use of funds to address the following additional needs identified in the New Hampshire Department of Education’s robust, statewide consultation with stakeholders:

   a. What amount and percentage of the LEA’s total allocation will be administered under school leader discretion:

   - **Amount:** 3,400,390
   - **Percentage:** 100%

**Description of allocation methodology including the extent to which it reflected student need for, at minimum, Special Education, Free and Reduced-Price Lunch, and English Language Learners:**
Allocations are not targeted as specific populations or sub groups.

*Description, including funds used to support learner obtainment of industry-recognized credentials:*

d. The extent to which funds will be used to provide access to course access opportunities, including advanced, elective, and remedial courses provided outside of the residential public school that a learner could not otherwise access:

*During SYs 2021-2024 (select one):* 

| Yes - Description Required |

*Description of all SYs - 2021 to 2024:*

Newfound offers advanced, elective and remedial courses in which all students have access.
VII. Addressing the Unique Needs of All Learners

1) How the LEA will ensure that the interventions it implements will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

**Description:**
A team of guidance counselors, tutors, literacy specialists and psychologist meet with administrators and directors to assess the needs of Newfounds students. Assessments of students are discussed and results are analyzed to determine the social, emotional and academic needs of all students. Additional interventions are discussed and ongoing assessment is expected. New curriculum and assessment tools will continue to be analyzed. Scheduling programs are being implemented that allows teachers and advisors to schedule students for interventions which helps address learning loss of any students.
If the LEA plans to use or has used any portion of ARP ESSER funds for construction projects, describe those projects below. Each project should be addressed separately. If needed, LEAs may submit additional supporting information. Please insert "N/A" if this category is not applicable to your plan. Please also note that these projects are subject to the NHDOE's prior conceptual and final approval:

**ESSER Funded Construction**

**Description:**
Newfound is currently developing plans to improve indoor air quality with the replacement of windows at New Hampton Community School. Timeframe for implementation is summer of 2022. Additional facility improvements TBD.

(e) USES OF FUNDS.—A local educational agency that receives funds under this section—

(1) shall reserve not less than 20 percent of such funds to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students’ academic, social, and emotional needs and address the disproportionate impact of the coronavirus on the student subgroups described in section 1111(b)(2)(B)(xi) of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6311(b)(2)(B)(xi)), students experiencing homelessness, and children and youth in foster care; and

(2) shall use the remaining funds for any of the following:

(A) Any activity authorized by the Elementary and Secondary Education Act of 1965.
(B) Any activity authorized by the Individuals with Disabilities Education Act.
(C) Any activity authorized by the Adult Education and Family Literacy Act.
(E) Coordination of preparedness and response efforts of local educational agencies with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to coronavirus.
(F) Activities to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including how outreach and academic services delivery will meet the needs of each population.
(G) Developing and implementing procedures and systems to improve the preparedness and response efforts of local educational agencies.
(H) Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases.
(I) Purchasing supplies to sanitize and clean the facilities of a local educational agency, including buildings operated by such agency.
(J) Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the Individuals with Disabilities Education Act and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.
(K) Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the local educational agency that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.
(L) Providing mental health services and supports, including through the implementation of evidence-based full-service community schools.
(M) Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, children with disabilities, English learners, migrant students, students experiencing homelessness, and children in foster care.
(N) Addressing learning loss among students, including low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care, of the local educational agency, including by—

(i) administering and using high-quality assessments that are valid and reliable, to accurately assess students’ academic progress and assist educators in meeting students’ academic needs, including through differentiating instruction;
(ii) implementing evidence-based activities to meet the comprehensive needs of students;
(iii) providing information and assistance to parents and families on how they can effectively support students, including in a distance learning environment; and
(iv) tracking student attendance and improving student engagement in distance education.
(O) School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.
(P) Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and non-mechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement.
(Q) Developing strategies and implementing public health protocols including, to the greatest extent practicable, policies in line with guidance from the Centers for Disease Control and Prevention for the reopening and operation of school facilities to effectively maintain the health and safety of students, educators, and other staff.
(R) Other activities that are necessary to maintain the operation of and continuity of services in local educational agencies and continuing to employ existing staff of the local educational agency.

(2) LEA ARP ESSER Plan.
(a) Each LEA that receives ARP ESSER funds must submit to the SEA, in such manner and within a reasonable timeline as determined by the SEA, a plan that contains any information reasonably required by the SEA. The plan, and any revisions to the plan submitted consistent with procedures established by the SEA, must describe—
(i) The extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning;
(ii) How the LEA will use the funds it reserves under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs;
(iii) How the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e) of the ARP Act; and
(iv) How the LEA will ensure that the interventions it implements, including but not limited to the interventions under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.
(b) In developing its ARP ESSER plan, an LEA must—
(i) Engage in meaningful consultation—
(A) With stakeholders, including: Students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions; and
(B) To the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students; and
(ii) Provide the public the opportunity to provide input and take such input into account.
(c) An LEA's ARP ESSER plan must be—
(i) In an understandable and uniform format;
(ii) To the extent practicable, written in a language that parents can understand or, if it is not practicable to provide written translations to a parent with limited English proficiency, be orally translated for such parent;
(iii) Upon request by a parent who is an individual with a disability as defined by the ADA, provided in an alternative format accessible to that parent; and
(iv) Be made publicly available on the LEA's website.
