

LEA ARP ESSER Plan: “A Plan for the LEA's Use of ARP ESSER funds”

The American Rescue Plan Elementary and Secondary School Emergency Relief (“ARP ESSER”) Fund, authorized under the American Rescue Plan (“ARP”) Act of 2021, provides nearly \$122 billion to States to support the Nation’s schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the coronavirus disease 2019 (“COVID-19”) pandemic.

This template is intended to collect all federally-required information from an LEA in a convenient format and to assist LEAs in meeting the federal requirement that, within 90 days of receiving ARP ESSER LEA allocation (90% of New Hampshire’s total allocation), an LEA shall publish an LEA ARP ESSER Plan, which is often called a “school district use of funds plan.”

For further context, please reference ARPA (<https://www.congress.gov/bill/117th-congress/house-bill/1319/text>) or the Interim Final Requirements of ARP ESSER in which the U.S. Department of Education established these requirements (<https://www.govinfo.gov/content/pkg/FR-2021-04-22/pdf/2021-08359.pdf>).

IV. Supporting the Continuous and Safe Operation of In-Person Learning

1. The extent to which and how LEA ARP ESSER funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning:
(Note federal regulation on this plan requires such reporting, but does not require adoption of CDC safety recommendations. The NH DOE recognizes schools will implement localized safety measures based on the guidance provided by the CDC, NH Public Health, and local public health officials.)

Description during SY21-22: ESSER funds will be used to increase classroom teaching space in order to promote appropriate social distancing. In addition, ESSER funds will be used to hire additional staff members to provide instruction targeting learning loss associated with the pandemic. Also, ESSER funds will be used to make upgrades to the air filtration systems at Next, thereby improving the air quality for students, staff, and visitors.

V. Addressing the Academic Impact of Lost Instructional Time (20 percent of an LEA’s Allocation)

1. How the LEA will identify individual student learning loss, including among students most likely to have experienced the impact of lost instructional time on student learning, such as:
 - a. Students who did not consistently participate in remote instruction when offered during school building closures;
 - b. Students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years; and
 - c. Students most at-risk of dropping out of school.

Description during SY21-22: Next will use a portion of the funds (at least 20%) to hire additional teaching staff and/or tutors to address learning loss, specifically targeting our students who did not consistently participate in remote instruction, students who missed the most in-person instruction, and our students most at-risk of dropping out of school.

2. How the LEA will use the funds it reserves under section 2001(e)(1) of the ARP Act (totaling not less than 20 percent of the LEA’s total allocation of ARP ESSER funds) to address the academic impact of lost instructional time for such students through the implementation of evidence-based interventions as defined by ESSA (<https://ies.ed.gov/ncee/wwc/essa>), such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year:

 - a. Individualized tutoring, including providing stipends to teachers for intensive, supplemental tutoring (please check one):

Yes: Somewhat: No:

We have contracted with a retired, licensed teacher to provide 1:1 tutoring. We have also contracted with additional staff members to provide academic coaching for the most needy students.

Description: _____

- b. Teacher-directed professional development, in which teachers choose the professional development opportunities best suited to their career pathway and current learner needs (please check one):

We are still reviewing professional development opportunities and will weigh those opportunities against other priority needs such as providing additional instruction and support to the most needy students.

Description: _____

4. How the LEA will produce evidence of the effectiveness of evidence-based learning loss interventions employed:

Description: Next measures student progress as a function of their competency attainment in relation to their individual learning plan. We will communicate the effectiveness in terms of moving students from "not on track" to "on track" as demonstrated by the status of their plan.

VI. Addressing Learner and Community Needs (80 percent of an LEA's Allocation)
