

New Hampshire Public Schools

AP[®] Participation by District: Class of 2018

Notes:

The most recent enrollment data available were for the 2016–17 school year. A degree of caution should be exercised when reviewing participation estimates, as data may not reflect district enrollments for the 2017–18 school year. AP cohort data represent public school students from a given graduating class who took an AP Exam during high school.
