AGENDA ITEM VI. BUREAU OF EDUCATIONAL OPPORTUNITIES

A. Office of Charter Schools

1. Granit State Arts Academy Charter School - Name Change

Don Erdbrink, founder and board chair introduced Christine Caron, director of school and guidance counselor, and Frank Sharlow, visual arts teacher and co-director. Don Erdbrink stated the Granite States Arts Academy is currently in its 8th year. It is an art-focused school with an art-integrated curriculum. Some students have been published for creative writing and they have placed 2nd twice in the New England Theatrical Guild competitions. They have started a successful robotics competition.

Don Edbrink shared they have noticed a trend of students without an interest in the arts applying to the school because they are small and have a safe reputation. The students are accepted due to open enrollment, but then they are unhappy with the curriculum and leave midyear. It impacts both students and the school. The name tends to be abbreviated to either Granite State or GSA, which does not imply art. The requested name change to the Arts Academy of New Hampshire will make the focus of the school clearer. They believe it would strengthen the perception of the school as an arts-based school, regain enrollment lost during COVID, and help grow the school while honoring the charter. The name change will also help students make a more informed decision when considering enrolling.

Phil Nazzaro asked if the rebranding could potentially effect enrollment with decreased recognition of the reputation. Don Edbrink responded starting the change now should allow enrollment to be consistent. Christine Caron added they will get the students excited about the name change. Ann Lane asked about sending districts. Don Edbrink responded 32 towns are represented at the school. Ann Lane suggested sending a letter to all of them. Ryan Terrell suggested just dropping the original name and going full force with the rebrand.

MOTION: Richard Sala made the motion, seconded by Ann Lane, pursuant to RSA 194b(3)11 that the State Board of Education authorizes the name change from Granite State Arts Academy to Arts Academy of New Hampshire, *Chartered Public High School*.

VOTE: The motion was passed by unanimous vote by the State Board of Education, with the Chair abstaining.

Dr. Calvo introduced Comligo. They specialize in teaching Spanish online.

Ann Lane asked about alignment with Spanish classes in a traditional high school setting and the abbreviation ACTFL. Dr. Calvo responded it is the American Council of Teaching Foreign Languages. It is a common standard for teaching foreign language in the United States. The standards align with New Hampshire's standards.

Ann Lane mentioned the outline shows 60 hours of instruction lead to a credit. She asked how many hours of instruction are in a typical Spanish class. Nate Greene responded it depends on the school and district. Typically, a foreign language class will run from 1-1 ½ hours a week. They are moving toward a competency-based system. The Learn Everywhere Program review committee had a high school Spanish teacher go through the application and felt A1 aligned well with Spanish 1 and A2 aligned with Spanish 2 in terms of the competencies.

Ann Lane asked how the advanced classes line up. Nate Greene responded the committee found aspects of a traditional Spanish 3 or 4 course as well as aspects that would only be found in an AP Spanish course.

Kate Cassady asked if incoming students take a placement test. Nate Greene stated that competency would show through course completion allowing enrollment in the next level.

Ryan Terrell asked for insight into the teacher recruitment process. Dr. Calvo responded they are in contact with universities in Mexico and Spain. Many of the teachers do internships with Comligo to learn from senior teachers. When they finish their masters, many apply for the position.

Chair Cline stated the application showed teachers must be native speakers. Nate Greene stated the committee felt the alignment with international standards makes them stand out.

Richard Sala asked why the committee was looking for differentiation from VLACS. Nate Greene responded there is a fee for Comligo and VLACS is free. They discussed the reason students may be willing to pay for the course.

Ann Lane asked about scholarship opportunities. Dr. Calvo responded they offer scholarships.
