

LEA ARP ESSER Plan: "A Plan for the LEA's Use of ARP ESSER Funds"

Please submit in both Excel and PDF form to ESSER@doe.nh.gov by 2/23/2022.

The American Rescue Plan Elementary and Secondary School Emergency Relief ("ARP ESSER") Fund, authorized under the American Rescue Plan ("ARP") Act of 2021, provides New Hampshire over \$350 million to support schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the coronavirus disease 2019 ("COVID-19") pandemic.

This mandatory template is intended to collect all federally required information from an LEA in a convenient format and to assist LEAs in meeting the federal requirement that, an LEA shall publish an LEA ARP ESSER Plan, which is often called a "school district use of funds plan." See the Department of Education's most current guidance posted here: <https://omb.report/icer/202201-1810-002/doc/117519100>.

For further context, please reference ARPA (<https://www.congress.gov/bill/117th-congress/house-bill/1319/text>) or the Interim Final Requirements of ARP ESSER in which the U.S. Department of Education established these requirements (<https://www.govinfo.gov/content/pkg/FR-2021-04-22/pdf/2021-08359.pdf>).

II. Transparency and Accessibility

- 1) This plan for the LEA's Use of ARP ESSER funds was published and made publicly available online at the following specific web address:

Yes - Description Required

Description:

This plan has been a dynamic plan and was original posted on the school website and emailed to the NHDOE in accordance with the ARP requirements. The revised plan will be posted on the school website and emailed to the NHDOE by march 9th as required.

- 2) The plan is in an understandable and uniform format (please choose one):

Yes - Description Required

Description:

The plan will is being completed using the required NHDOE document.

- 3) The plan, to the extent practicable, is written in a language that parents can understand or, if not practicable to provide written translations to a parent with limited English proficiency, orally translated (please choose one):

Yes - Description Required

Description:

The plan is being completed using the NHDOE template. The document be accessible in multiple formats by request, to the extent that Excel allows.

- 4) The plan, upon request by a parent who is an individual with a disability, is provided in an alternative format accessible to that parent (please choose one):

Yes - Description Required

Description:

The plan is being completed using the NHDOE template. The document will be accessible in multiple formats by request, to the extent that Excel allows. Additionally, the plan will be discussed at board meetings allowing for individuals to hear and see the plan. Meetings can also be scheduled to explain the plan for individuals that need further accommodations.

III. Stakeholder Engagement

Best Practices in Implementing ARP ESSER LEA Use of Funds Plan

- 1) How the LEA provided the public the opportunity to provide input in the development of the LEA's plan for the use of ARP ESSER funds:

Yes - Description Required

Description:

The LEA will be discussing this plan at regularly scheduled board meetings. The LEA has already held several meetings with the budget committee and town members to discuss the use of prior ESSER funds and plans to continue this practice moving forward with the ESSER III (ARP) funds. The board shared details during its deliberative session with approximately 100 participants and the budget was moved to the ballot. No ARP funds have been decided at this time.

- 2) How the LEA took public input into account regarding the development of the LEA's plan for the use of ARP ESSER funds (please choose one):

Somewhat - Description Required

Description:

We have had the use of funds as a standing item on our monthly board meetings and budgets development meetings. We will be creating surveys to share with families to determine their interest in learning loss categories.

- 3) How the LEA engaged in meaningful consultation with specific stakeholders, including, but not limited to:
a. Students (please choose one):

Yes - Description Required

1) Description:

We will have this a standing item at the board meetings, sending out surveys to families and working with our students and staff. Also, informal discussions, students have indicated a need for additional time and support in learning new skills and concepts and completing their assignments. They have also indicated an interest in increasing the availability of extracurricular activities to support their physical and mental health.

IV. Supporting the Continuous and Safe Operation of In-Person Learning

- 1) The extent to which and how LEA ARP ESSER funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning:

Note: Federal regulation on this plan requires such reporting, but does not require adoption of CDC safety recommendations. The NH DOE recognizes schools will implement localized safety measures based on the guidance provided by the CDC, NH Public Health, and local public health officials.

Description During SY 2021-2022:

During the 21-22 school year, earlier ESSER funds have been used to pay for facility services, masks, hand sanitizer, and cleaning supplies. Food service supplies have been purchased to provide food in a COVID safe manner. Computers were purchased for remote learning. Funds have also been used to purchase higher-quality air filters for the HVAC system. ARP funds have not been utilized yet.

V. Addressing the Academic Impact of Lost Instructional Time (At least 20 percent of an LEA's Allocation)

- 1) How the LEA will identify individual student learning loss, including among students most likely to have experienced the impact of lost instructional time on student learning, such as:
 - a. Students who did not consistently participate in remote instruction when offered during school building closures;
 - b. Students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years; and
 - c. Students most at-risk of dropping out of school.

Description During SY 2021-2022:

ARP funds have yet to be used for this current year.

- 2) How the LEA will use the funds it reserves to address the academic impact of lost instructional time through:

Description During SY 2021-2022:

ARP funds have yet to be used for this current year.

Description During SY 2022-2023:

Researching additional academic programming both digital and printed to address any learning loss that has been identified. We are also considering the hiring a one year math interventionist.

Description During SY 2023-2024:

TBD

- 3) How the LEA will use the funds it reserves to address the academic impact of lost instructional time through:
 - a. Individualized tutoring, including providing stipends to teachers for intensive, supplemental tutoring (please choose one):

Yes - Description Required

Description:

Tutoring provided to students that are not been able to attend school may be provided.

- b. Teacher-directed professional development, in which teachers choose the professional development opportunities best suited to their career pathway and current learner needs (please choose one):

- Please Select -

Description:

Chart will not let me change to yes. PD will be provided on social emotion, student engagement and core academics.

- 4) How the LEA will produce evidence of the effectiveness of evidence-based learning loss interventions employed:

Description:

Looking at student growth through multiple data points, including but not limited to, classroom based measures, nationally normed assessments, and state assessments.

VI. Addressing Learner and Community Needs (Up to 80 percent of an LEA's Allocation)

- 1) After accounting for the funds reserved under section 2001(e)(1) of the ARP Act, how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) of the ARP Act (See Appendix A):

Description During SY 2021-2022:

no ARP funds have been committed to this year.

Description During SY 2022-2023:

Potential facility upgrades, supplies, stipends to staff for additional duties due to COVID needs, paying additional cleaning of facilities to help with disinfecting. Additional learning and software programs.

Description During SY 2023-2024:

TBD

- 2) After accounting for the funds reserved under section 2001(e)(1) of the ARP Act, how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) of the ARP Act (See Appendix A):

- a. Providing individualized instruction:

During SY 2023-2024 (select one):

Description of all SYs - 2021 to 2024:

Software that can allow for students and families to work together. Additional use of facilities made available.

- 3) The LEA's use of funds to address the following additional needs identified in the New Hampshire Department of Education's robust, statewide consultation with stakeholders:

- a. What amount and percentage of the LEA's total allocation will be administered under school leader discretion:

Amount:

Percentage:

Description of allocation methodology including the extent to which it reflected student need for, at minimum, Special Education, Free and Reduced-Price Lunch, and English Language Learners:

All expenditures will be approved by the full school board, who represents the community as a whole.

b. What amount and percentage of the LEA's total allocation will be used to support Career and Technical Education:

Amount: 0

Percentage: 0

Description, including funds used to support learner attainment of industry-recognized credentials:

Not needed for k-8 setting.

c. The extent to which funds will be used to provide access to course access opportunities, including advanced, elective, and remedial courses provided outside of the residential public school that a learner could not otherwise access:

During SYs 2021-2024 (select one): - Please Select -

Description of all SYs - 2021 to 2024:

The chart will not let me say no. We are a k-8 school, we will help them access VLACS if desired.

VII. Addressing the Unique Needs of All Learners

- 1) How the LEA will ensure that the interventions it implements will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Description:

The school will determine the most important educational needs as a result of COVID-19 by conducting surveys of parents, teachers, and paraprofessionals; reviewing student assessment data, and analyzing trends in students' standards-based grades. The School Board and school administration has also been collecting information and data from all constituent groups throughout the 20-21 and 21-22 school years and this has helped shape our determination of needs. Input from teachers regarding student achievement has also been a critical component of establishing needs.

VIII. Addressing Unique Renovation, Air Quality and/or Construction Needs

- 1) If the LEA plans to use or has used any portion of ARP ESSER funds for construction projects, describe those projects below. Each project should be addressed separately. If needed, LEAs may submit additional supporting information. Please insert "N/A" if this category is not applicable to your plan. Please also note that these projects are subject to the NHDOE's prior conceptual and final approval:
[ESSER Funded Construction.](#)

Description:

The district is not planning on using any ARP funds for construction. We may purchase equipment to improve air quality.

(e) USES OF FUNDS.—A local educational agency that receives funds under this section—

(1) shall reserve not less than 20 percent of such funds to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on the student subgroups described in section 1111(b)(2)(B)(xi) of the Elementary and Secondary Education Act of 1965 (20U.S.C. 6311(b)(2)(B)(xi)), students experiencing homelessness, and children and youth in foster care; and

(2) shall use the remaining funds for any of the following:

(A) Any activity authorized by the Elementary and Secondary Education Act of 1965.

(B) Any activity authorized by the Individuals with Disabilities Education Act.

(C) Any activity authorized by the Adult Education and Family Literacy Act.

(D) Any activity authorized by the Carl D. Perkins Career and Technical Education Act of 2006.

(E) Coordination of preparedness and response efforts of local educational agencies with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to coronavirus.

(F) Activities to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including how outreach and service delivery will meet the needs of each population.

(G) Developing and implementing procedures and systems to improve the preparedness and response efforts of local educational agencies.

(H) Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases.

(I) Purchasing supplies to sanitize and clean the facilities of a local educational agency, including buildings operated by such agency.

(J) Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the Individuals with Disabilities Education Act and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.

(K) Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the local educational agency that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.

(L) Providing mental health services and supports, including through the implementation of evidence-based full-service community schools.

(M) Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, children with disabilities, English learners, migrant students, students experiencing homelessness, and children in foster care.

(N) Addressing learning loss among students, including low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care, of the local educational agency, including by—

(i) administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction;

(ii) implementing evidence-based activities to meet the comprehensive needs of students;

(iii) providing information and assistance to parents and families on how they can effectively support students, including in a distance learning environment; and

(iv) tracking student attendance and improving student engagement in distance education.

(O) School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.

(P) Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and non-mechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement.

(Q) Developing strategies and implementing public health protocols including, to the greatest extent practicable, policies in line with guidance from the Centers for Disease Control and Prevention for the reopening and operation of school facilities to effectively maintain the health and safety of students, educators, and other staff.

(R) Other activities that are necessary to maintain the operation of and continuity of services in local educational agencies and continuing to employ existing staff of the local educational agency.

Appendix B. Interim Final Requirements of ARP ESSER Excerpt

(2) LEA ARP ESSER Plan.

(a) Each LEA that receives ARP ESSER funds must submit to the SEA, in such manner and within a reasonable timeline as determined by the SEA, a plan that contains any information reasonably required by the SEA. The plan, and any revisions to the plan submitted consistent with procedures established by the SEA, must describe—

(i) The extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning;

(ii) How the LEA will use the funds it reserves under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs;

(iii) How the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e) of the ARP Act; and

(iv) How the LEA will ensure that the interventions it implements, including but not limited to the interventions under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

(b) In developing its ARP ESSER plan, an LEA must—

(i) Engage in meaningful consultation—

(A) With stakeholders, including: Students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions; and

(B) To the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students; and

(ii) Provide the public the opportunity to provide input and take such input into account.

(c) An LEA's ARP ESSER plan must be—

(i) In an understandable and uniform format;

(ii) To the extent practicable, written in a language that parents can understand or, if it is not practicable to provide written translations to a parent with limited English proficiency, be orally translated for such parent;

(iii) Upon request by a parent who is an individual with a disability as defined by the ADA, provided in an alternative format accessible to that parent; and

(iv) Be made publicly available on the LEA's website.

Please follow these steps once all tabs of your Districts Excel workbook are completed.

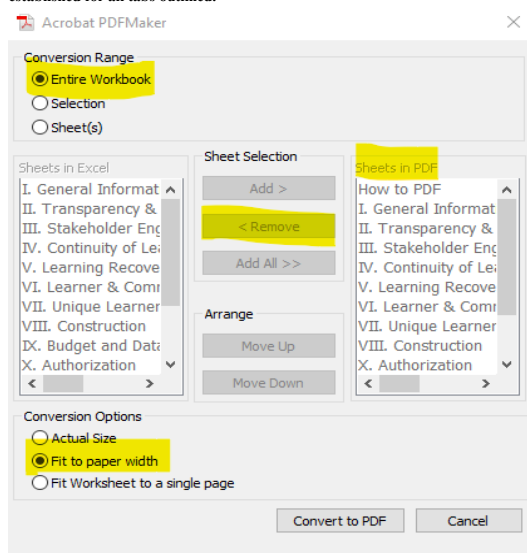

1) Go to File:

2) Select "Save as Adobe PDF":

3) Select "Entire Workbook" and "Fit to paper width." Locate the "IX. Budget and Data Reporting" tab from the list beneath "Sheets in PDF." Select "Remove." The reason is because this spreadsheet is so large, that the information will not easily transpose. The IX. Budget and Data Reporting tab will need to be printed manually from Excel and sent along with the rest of your materials. The X. Authorization tab will also need to be printed manually from Excel. The print range within the Excel workbook has been established for all tabs outlined.

3) Items due to the NHDOE by 02/23/2022:

- A. NH ARP ESSER LEA Fund Use - Excel Workbook
 - i. Print the "IX. Budget and Data Reporting" and "X. Authorization" tabs from Excel file
 - ii. Manually print and sign the "X. Authorization" tab from Excel file
- B. NH ARP ESSER LEA Fund Use - PDF Version

C. Return each item listed above in one email message to ESSER@doe.nh.gov (4 separate attachments)
