

# Bureau of Special Education Support Monitoring Trainings

## Preschool Training Offerings

Virtual trainings from: NH Department of Education  
Bureau of Office of Training and Monitoring

The New Hampshire Department of Education (NHED) Bureau of Office of Training and Monitoring will be hosting the **2-part** DRDP virtual trainings via **Microsoft Teams** in February, March, April, and May. Trainings will be related to monitoring and compliance topics. The trainings are provided at no cost to help special education teachers build upon the basic knowledge they need to assist them during the school year.

**Training descriptions and registration information is provided below.**

**The training capacity is 30 so if the session you chose is full, please select another.**

We encourage you to copy and paste the information you receive on how to join this webinar into your calendar on the day and time of the event to make it easier to locate the log in link on that day for that training.

**Participants will receive a professional development certificate by email for attending the trainings, (within 1-2 business days).**

## Training Descriptions:

**Desired Results Developmental Profile (DRDP):** This training will provide guidance on implementing the DRDP in your program. You will learn about the measurement tool and how to assess students. This is a new tool being supported by the state for collecting Preschool Outcomes Measures (POMs) for Indicator 7; Preschool Outcomes reporting.

***\* DRDP is a 2-part training. If your district is requiring DRDP training, you must attend both sessions to fulfill appropriate reporting requirements. When registering please state which 2 sessions you will be attending.***
