E. Non-Collusion

The vendor's signature on a Proposal submitted in response to this RFP guarantees that the prices, terms and conditions, and work quoted have been established without collusion with other Vendors and without effort to preclude the Agency from obtaining the best possible competitive Proposal.

F. Property of the Agency

All material received in response to this RFP shall become the property of the Agency and will not be returned to the vendor. Upon contract award, the Agency reserves the right to use any information presented in any Proposal.

G. Proposal Confidentiality

Unless necessary for the approval of a contract, the substance of a proposal must remain confidential until the Effective Date of any Contract resulting from this RFP. A vendor's disclosure or distribution of Proposals other than to the Agency may be grounds for disqualification.

The information submitted in response to this RFP (including all materials submitted in connection with it, such as attachments, exhibits, addenda, and presentations), any resulting contract, and information provided during the contractual relationship may be subject to public disclosure under Right-to-Know law, including RSA 91-A. In addition, in accordance with RSA 9-F:1, any contract entered into as a result of this RFP will be made accessible to the public online via the website Transparent NH (<http://www.nh.gov/transparentnh/>).

Confidential, commercial or financial information may be exempt from public disclosure under RSA 91-A:5, IV. If a vendor believes any information submitted in response to this RFP should be kept confidential, the vendor must specifically identify that information where it appears in the submission in a manner that draws attention to the designation and must mark/stamp each page of the materials that the vendor claims must be exempt from disclosure as "CONFIDENTIAL." Marking or designating an entire proposal, attachment or section as confidential shall neither be accepted nor honored by the State. Vendors must also provide a separate copy of the full and complete document, fully redacting those portions and shall note on the applicable page or pages that the redacted portion or portions are "confidential."

Submissions which do not conform to these instructions by failing to include a redacted copy (if necessary), by failing to include a letter specifying the rationale for each redaction, by failing to designate the redactions in the manner required by these instructions, or by including redactions which are contrary to these instructions or operative law may be rejected by the State as not conforming to the requirements of the proposal.

Pricing, which includes but is not limited to, the administrative costs and other performance guarantees in Proposals or any subsequently awarded contract shall be subject to public disclosure regardless of whether it is marked as confidential.

Notwithstanding a vendor's designations, the State is obligated under the Right-to-Know law to conduct an independent analysis of the confidentiality of the information submitted in a proposal. If a request is made to the State to view or receive copies of any portion of the proposal, the State shall first assess what information it is obligated to release. The State will then notify you that a request has been made, indicate what, if any,

information the State has assessed is confidential and will not be released, and specify the planned release date of the remaining portions of the proposal. To halt the release of information by the State, a vendor must initiate and provide to the State, prior to the date specified in the notice, a court action in the Superior Court of the State of New Hampshire, at its sole expense, seeking to enjoin the release of the requested information.

By submitting a proposal, vendors acknowledge and agree that:

- The State may disclose any and all portions of the proposal or related materials which are not marked as confidential and/or which have not been specifically explained in the letter to the person identified as the point of contact for this RFP;
- The State is not obligated to comply with a vendor's designations regarding confidentiality and must conduct an independent analysis to assess the confidentiality of the information submitted in your proposal; and

The State may, unless otherwise prohibited by court order, release the information on the date specified in the notice described above without any liability to a vendor

I. Electronic Posting of RFP Results and Resulting Contract

At the time of receipt of proposals, the Agency will post the number of responses received with no further information. No later than five (5) business days prior to submission of a contract to the Department of Administrative Services, the Agency will post the ranks or scores of each responding vendor. In the event that the contract does not require Governor & Executive Council approval, the Agency will disclose the rank or score at least 5 business days before final approval of the contract.

Pursuant to RSA 91-A and RSA 9-F:1, the Secretary of State will post to the public any document submitted to G&C for approval, including contracts resulting from this RFP, and posts those documents on its website (<https://sos.nh.gov/administration/miscellaneous/governor-executive-council/>). By submitting a proposal, vendors acknowledge and agree that, in accordance with the above-mentioned statutes and policies, (and regardless of whether any specific request is made to view any document relating to this RFP), any contract resulting from this RFP that is submitted to G&C for approval will be made accessible to the public online.

J. Non-Commitment

Notwithstanding any other provision of this RFP, this RFP does not commit the Agency to award a contract. The Agency reserves the right, at its sole discretion, to reject any and all proposals, or any portions thereof, at any time; to cancel this RFP; and to solicit new proposals under a new acquisition process.

K. Ethical Requirements

From the time this RFP is published until a contract is awarded, no vendor shall offer or give, directly or indirectly, any gift, expense reimbursement, or honorarium, as defined by RSA 15-B, to any elected official, public official, public employee, constitutional official, or family member of any such official or employee who will or has selected, evaluated, or awarded an RFP, or similar submission. Any vendor that violates RSA 21-G:38 shall be subject to prosecution for an offense under RSA 640:2. Any vendor who has been convicted of an offense based on conduct in violation of this section, which has not been annulled, or who is subject to a pending criminal charge for such an offense, shall be disqualified from bidding on the RFP, or similar request for submission and every such vendor shall be disqualified from bidding on any RFP or similar request for submission issued by any state agency. A vendor that was disqualified under this section because of a pending criminal charge which is subsequently dismissed, results in an acquittal, or is annulled, may notify the department of administrative services, which shall note that information on the list maintained on the state's internal intranet system, except in the case of annulment, the information, shall be deleted from the list.

L. Challenges to Identification of Selected Vendor

Within 5 business days of the Agency’s posting of the rank or score on its website, vendors may, in accordance with RSA 21-G:37, request that the agency review its selection process. The request must be in writing and must specify all points on which the vendor believes the agency erred in its process and shall contain such argument in support of its position as the vendor seeks to present. In its request for review, a vendor shall not submit, and an agency will not accept nor consider, any substantive information that was not included in the original proposal. The agency will respond to the request within 5 business days of its receipt.

SECTION 6 – Evaluation of Proposals

A. Criteria for Evaluation and Scoring

The Agency will evaluate each responsive Proposal using a scoring scale of 100 points, which will be distributed as set forth in the table below.

CATEGORIES	POINTS
TECHNICAL PROPOSAL with the following potential maximum scores for each Technical Proposal category;	
Vendor Experience – Provide your experience with hiring, managing, and developing staff.	30
Vendor Experience – Provide three (3) references/testimonials of individuals or companies for whom you have provided similar Medical Consultant or medical field staff services (Please include name of company/establishment, dates of performance and customer point of contact)	10
Vendor Capacity – Explain, in narrative form, your capacity to perform the entire scope of work outlined in this RFP. The DDS currently contracts with eleven (11) Medical Consultants and two (2) Chief Medical Consultants.	30
Vendor Demonstrated Ability – Outline and identify, including specifically naming the Staffing Manager and professional resources that will accomplish the scope of work.	10
Vendor Demonstrated Ability – Provide the Curriculum Vitae or Resume of the Staffing Manager and each individual who will perform key functions identified in the RFP.	10
PRICE PROPOSAL MAXIMUM POINTS	10
TOTAL MAXIMUM POINTS	100

The Agency will select a vendor based upon the criteria and standards contained in this RFP and from applying the weighting in this section. Oral interviews and reference checks, to the extent they are utilized by the Agency, will be used to refine and finalize scores.

If the Agency, decides to make an award based on these evaluations, the Agency will notify the selected vendor(s). Should the Agency be unable to reach agreement with the selected vendor(s) during Contract discussions, the Agency may then undertake Contract discussions with the next preferred vendor and so on, or the Agency may reject all proposals, cancel this RFP, or solicit new Proposals under a new acquisition process.

B. Planned Evaluations Steps

The Agency plans to use the following process:

- Step 1. Initial screening to ensure that the Proposals are in compliance with submission requirements;
- Step 2. Preliminary evaluation of the Technical Proposals;
- Step 3. Final Scoring of Technical Proposals;
- Step 4. Price Proposals review;
- Step 5. Best and Final Offer (BAFO) if appropriate; and Final Selection: Select the highest scoring vendor(s) and begin contract execution.

C. Step 1: Initial Screening

The Agency will conduct an initial screening to verify vendor compliance with the proposal submission requirements set forth in Sections 4 and 7. The Agency may waive or offer a limited opportunity to cure immaterial deviations from the RFP requirements if it is determined to be in the best interest of the State.

D. Step 2: Preliminary Technical Scoring of Proposals

The Agency will establish an evaluation team to review for compliance of the minimum requirements as set forth in Section 2. This evaluation team will then review the technical proposals and give a preliminary score to the technical proposals under the guidelines set forth in Section 6. Should a vendor fail to achieve 80 Points in the preliminary technical scoring, it will receive no further consideration from the evaluation team and the vendor's price proposal will be returned unopened. Price proposals will not be reviewed by the evaluation team during the preliminary technical review.

E. Step 3: Final Technical Scoring of Proposals

Following oral interviews, product demonstrations, reference checks (if appropriate) and/or review of written clarifications of proposals requested by the Agency, the evaluation team will determine a final score for each technical proposal.

F. Step 4: Price Proposal Review

Price proposals will be reviewed upon completion of the final technical scoring of proposals. The vendor's price proposal will be allocated a maximum potential score of 10 points. Vendors are advised that this **is not a low bid award** and that the scoring of the price proposal will be combined with the scoring of the technical proposal to determine the overall highest scoring vendor.

The following formula will be used to assign points for costs:

$$\text{Vendor's Price Score} = (\text{Lowest Proposed Price} / \text{Vendor's Proposed Price}) \times \text{Number of Points for Score}$$

For the purpose of use of this formula, the lowest proposed price is defined as the lowest price proposed by a vendor who has scored above the minimum necessary for consideration on the Technical Score.

G. No Best and Final Offer

The Proposal should be submitted initially on the most favorable terms which the vendor can offer. There will be no best and final offer procedure.

-OR-

Step 5: Best and Final Offer (BAFO)

Upon completion of the scoring process outlined in Section 6 above, the Agency may, at its sole option, invite the highest scoring vendors to submit a “Best and Final Offer” for the Agency’s consideration. The Agency reserves the right to select the vendor based solely on the initial proposals and is under no obligation to solicit or accept a BAFO from any vendors. As the Agency may not request a Best and Final Offer, vendors are encouraged to provide their most competitive prices in their initial proposals.

The Best and Final Offer (BAFO) is a one-time invitation only process for a vendor to submit its lowest priced offer for the Agency’s consideration. The Agency will provide a deadline submission date for the BAFO and may uniformly communicate in writing any price/cost targets that the Agency is seeking in the BAFO. All restrictions on contact with State employees outlined in this RFP shall remain in effect.

Each invited vendor may only make one BAFO. The BAFO may not alter the substance of the vendor’s technical proposal. The BAFO may only amend the vendor’s initial price proposal.

To the extent the Agency solicits and receives a BAFO pursuant to this section, the Agency will re-score the BAFO participants’ price proposals after review of the BAFO in accordance with Section 6G (Calculation of the Price Proposal Score). The Agency will not select a vendor based on the lowest priced BAFO proposal. A final selection, if any, shall be based on the combined score of the technical proposal and BAFO pricing. Only those vendors who were invited to submit a BAFO will be considered for the award.

H. Final Selection

The Agency will conduct a final selection based on the final evaluation of the proposals or, if requested, as a result of the Best and Final Offer, and begin contract discussions with the selected vendor(s).

I. Rights of the Agency in Accepting and Evaluating Proposals

The Agency reserves the right, at its sole discretion, to:

- Make independent investigations in evaluating proposals;
- Request additional information to clarify elements of a proposal;
- Waive minor or immaterial deviations from the RFP and contract requirements, if determined to be in the best interest of the State;
- Omit any planned evaluation step if, in the Agency’s view, the step is not needed;
- Reject any and all proposals at any time; and
- Open contract discussions with the second highest scoring vendor and so on, if the Agency is unable to reach an agreement on contract terms with the higher scoring vendor(s).
