SECTION 3 -- Contract Terms and Conditions

A. Non-Exclusive Contract

Any resulting Contract from this RFP will be a non-exclusive Contract. The Agency reserves the right, at its discretion, to retain other contractors to provide any of the services or deliverables identified in this RFP or make an award by item, part or portion of an item, group of items, or total Proposal.

B. Award

If the Agency decides to award a contract as a result of this RFP process, any award is contingent upon approval of the contract by the Governor and Executive Council of the State of New Hampshire and upon continued appropriation of funding for the contract.

C. Standard Contract Terms

The Agency will require the selected vendor to execute a contract using the Standard Terms and Conditions of the State of New Hampshire (Form P-37) which is attached as Appendix A. In no event is a vendor to submit its own standard contract terms and conditions as a replacement for the State's terms in response to this solicitation.

The terms of this RFP and the selected vendor's Proposal will be used to form the terms of any resulting contract. The resulting contract may incorporate some or all of the selected vendor's Proposal. References in the P-37 to Exhibits A, B and C are references to the required structure of any resulting contract (Exhibit A – Special Provisions/Amendments to the P-37, Exhibit B – Scope of Services, and Exhibit C – Payment Terms) and are not references to sections of this RFP. To the extent that a vendor believes that exceptions to the contract terms in Appendix A will be necessary for the vendor to enter into the contract, the vendor must note those issues during the Vendor Inquiry Period, as further described in Section 4B.

SECTION 4 –Request for Proposal Process

A. Agency Point of Contact/Restriction of Contact with Agency Employees

The sole point of contact for this RFP, from the RFP issue date until the approval of the resulting contract by the Governor and Executive Council is:

From the date of release of this RFP until an award is made and announced regarding the selection of a vendor, all communication with personnel employed by or under contract with the Agency regarding this RFP is prohibited unless first approved by the RFP Sole Point of Contact. Agency employees have been directed not to hold conferences and/or discussions concerning this RFP with any potential contractor during the selection process, unless otherwise authorized by the RFP Sole Point of Contact. Vendors may be disqualified for violating this restriction on communications.

B. Vendor Inquiries

All inquiries concerning this RFP, including but not limited to, requests for clarifications, questions, any changes to the RFP, and any exceptions to the contract terms in Appendix A, including the Form P-37, shall be submitted via email to the Agency Point of Contact specified above. Inquiries must be received by the end of vendor inquiry period (see Schedule of Events herein).

The vendor must identify the RFP name and the number and include the vendor's name, telephone number, and e-mail address in all communications relative to this RFP.

The Agency will issue responses to properly submitted inquiries on or before the date specified in the Schedule of Events; however, this date is subject to change at the Agency's discretion. The Agency may consolidate and/or paraphrase questions for sufficiency and clarity. The Agency may, at its discretion, amend this RFP on its own initiative or in response to issues raised by inquiries, as it deems appropriate. **In response to requested exceptions to P37, the Agency will review requested exceptions and accept, reject or note that it is open to negotiation of the proposed exception at its sole discretion. Questions about or requested exceptions to the RFP, Form P-37 and/or any relevant attachments not raised during the inquiry period are waived.** Oral statements, representations, clarifications, or modifications concerning the RFP shall not be binding upon the Agency. Official responses by the Agency will be made only in writing by the process described above. Vendors shall be responsible for reviewing the most updated information related to this RFP before submitting a proposal.

SECTION 5 – RFP Terms and Conditions

A. Debarment

Vendors who are ineligible to bid on proposals, bids or quotes issued by the Department of Administrative Services, Division of Procurement and Support Services pursuant to the provisions of RSA 21-I:11-c shall not be considered eligible for an award under this RFP.

B. Proposal Preparation Cost

By submitting a proposal, a vendor agrees that in no event shall the Agency be either responsible for or held liable for any costs incurred by a vendor in the preparation of or in connection with the Proposal, or for work performed prior to the Effective Date of a resulting Contract.

C. Validity of Proposal

Proposals must be valid for one hundred and eighty (180) days following the deadline for submission of Proposals in Schedule of Events, or until the Effective Date of any resulting Contract, whichever is later.

D. RFP Addendum

The Agency reserves the right to amend this RFP at its discretion, prior to the Proposal submission deadline. In the event of an addendum to this RFP, the Agency, at its sole discretion, may extend the Proposal submission deadline, as it deems appropriate.

E. Non-Collusion

The vendor's signature on a Proposal submitted in response to this RFP guarantees that the prices, terms and conditions, and work quoted have been established without collusion with other Vendors and without effort to preclude the Agency from obtaining the best possible competitive Proposal.

F. Property of the Agency

All material received in response to this RFP shall become the property of the Agency and will not be returned to the vendor. Upon contract award, the Agency reserves the right to use any information presented in any Proposal.

G. Proposal Confidentiality

Unless necessary for the approval of a contract, the substance of a proposal must remain confidential until the Effective Date of any Contract resulting from this RFP. A vendor's disclosure or distribution of Proposals other than to the Agency may be grounds for disqualification.

H. Public Disclosure

The information submitted in response to this RFP (including all materials submitted in connection with it, such as attachments, exhibits, addenda, and presentations), any resulting contract, and information provided during the contractual relationship may be subject to public disclosure under Right-to-Know law, including RSA 91-A. In addition, in accordance with RSA 9-F:1, any contract entered into as a result of this RFP will be made accessible to the public online via the website Transparent NH (<http://www.nh.gov/transparentnh/>).

Confidential, commercial or financial information may be exempt from public disclosure under RSA 91-A:5, IV. If a vendor believes any information submitted in response to this RFP should be kept confidential, the vendor must specifically identify that information where it appears in the submission in a manner that draws attention to the designation and must mark/stamp each page of the materials that the vendor claims must be exempt from disclosure as "CONFIDENTIAL." Vendors must also provide a letter to the person listed as the point of contact for this RFP, identifying the specific page number and section of the information the vendor believes to be exempt from public disclosure and provide the rationale for each such designation. Marking or designating an entire proposal, attachment or section as confidential shall neither be accepted nor honored by the Agency. Vendors must also provide a separate copy of the full and complete document, fully redacting the portions the vendor believes to be exempt from disclosure under RSA 91-A:5 and shall note on the applicable page or pages that the redacted portion or portions are "confidential."

Submissions which do not conform to these instructions by failing to include a redacted copy (if necessary), by failing to include a letter specifying the rationale for each redaction, by failing to designate the redactions in the manner required by these instructions, or by including redactions which are contrary to these instructions or operative law may be rejected by the State as not conforming to the requirements of the proposal.

Pricing, which includes but is not limited to, the administrative costs and other performance guarantees in Proposals or any subsequently awarded contract shall be subject to public disclosure regardless of whether it is marked as confidential.

Notwithstanding a vendor's designations, the Agency is obligated under the Right-to-Know law to conduct an independent analysis of the confidentiality of the information submitted in a

proposal. While the Vendor is permitted to identify information that they deem to be exempt from disclosure, the Agency, in its sole discretion, shall make a final determination of whether information contained in the response to the RFP is exempt from disclosure under RSA 91-A:5. If the Agency determines that the vendor has improperly or incorrectly designated information as confidential that is not exempt from disclosure under RSA 91-A, the Agency will then notify the Vendor, by electronic communication to the person identified as the point of contact for this RFP, that a request has been made, indicate what, if any, information the Agency has assessed is confidential and will not be released, and specify the planned release date of the remaining portions of the proposal. To halt the release of information by the Agency, a Vendor must initiate and provide to the Agency, prior to the date specified in the notice, a court action in the Superior Court of the State of New Hampshire, at its sole expense, seeking to enjoin the release of the requested information.

By submitting a proposal, vendors acknowledge and agree that:

- The Agency may disclose any and all portions of the proposal or related materials which are not marked as confidential and/or which have not been specifically explained in the letter to the person identified as the point of contact for this RFP;
- The Agency is not obligated to comply with a vendor's designations regarding confidentiality and must conduct an independent analysis to assess the confidentiality of the information submitted in your proposal; and
- The Agency may, unless otherwise prohibited by court order, release the information on the date specified in the notice described above without any liability to a vendor.

I. Electronic Posting of RFP Results and Resulting Contract

At the time of receipt of proposals, the Agency will post the number of responses received with no further information. No later than five (5) business days prior to submission of a contract to the Department of Administrative Services, the Agency will post the ranks or scores of each responding vendor. In the event that the contract does not require Governor & Executive Council approval, the Agency will disclose the rank or score at least 5 business days before final approval of the contract.

Pursuant to RSA 91-A and RSA 9-F:1, the Secretary of State will post to the public any document submitted to G&C for approval, including contracts resulting from this RFP, and posts those documents on its website (<https://sos.nh.gov/administration/miscellaneous/governor-executive-council/>). By submitting a proposal, vendors acknowledge and agree that, in accordance with the above mentioned statutes and policies, (and regardless of whether any specific request is made to

view any document relating to this RFP), any contract resulting from this RFP that is submitted to G&C for approval will be made accessible to the public online.

J. Non-Commitment

Notwithstanding any other provision of this RFP, this RFP does not commit the Agency to award a contract. The Agency reserves the right, at its sole discretion, to reject any and all proposals, or any portions thereof, at any time; to cancel this RFP; and to solicit new proposals under a new acquisition process.

K. Ethical Requirements

From the time this RFP is published until a contract is awarded, no vendor shall offer or give, directly or indirectly, any gift, expense reimbursement, or honorarium, as defined by RSA 15-B, to any elected official, public official, public employee, constitutional official, or family member of any such official or employee who will or has selected, evaluated, or awarded an RFP, or similar submission. Any vendor that violates RSA 21-G:38 shall be subject to prosecution for an offense under RSA 640:2. Any vendor who has been convicted of an offense based on conduct in violation of this section, which has not been annulled, or who is subject to a pending criminal charge for such an offense, shall be disqualified from bidding on the RFP, or similar request for submission and every such vendor shall be disqualified from bidding on any RFP or similar request for submission issued by any state agency. A vendor that was disqualified under this section because of a pending criminal charge which is subsequently dismissed, results in an acquittal, or is annulled, may notify the department of administrative services, which shall note that information on the list maintained on the state's internal intranet system, except in the case of annulment, the information, shall be deleted from the list.

L. Challenges to Identification of Selected Vendor

Within 5 business days of the Agency's posting of the rank or score on its website, vendors may, in accordance with RSA 21-G:37, request that the agency review its selection process. The request must be in writing and must specify all points on which the vendor believes the agency erred in its process and shall contain such argument in support of its position as the vendor seeks to present. In its request for review, a vendor shall not submit, and an agency will not accept nor consider, any substantive information that was not included in the original proposal. The agency will respond to the request within 5 business days of its receipt.

SECTION 6 – Evaluation of Proposals

A. Criteria for Evaluation and Scoring

The Agency will evaluate each responsive Proposal using a scoring scale of 100 points, which will be distributed as set forth in the table below.

CATEGORIES	POINTS

<p>Assessment Platform Vendor must be able to provide a platform for administering a digital version of the 2020 USCIS test to students enrolled in grades 9 – 12.</p>	30

Finally, the reporting system must provide a dashboard so that schools can track who has or has not passed the test.</p>	20

<p>Maintenance Plan Vendor must have an annual maintenance plan to identify and update any questions that may change during the course of a school year, based upon elections, changes in statute, etc.</p>	10
<p>PRICE PROPOSAL MAXIMUM POINTS Provide a cost-proposal based upon the Scope of Work. As a frame of reference, each high school grade enrolls approximately 12,000 students statewide, although not all students will need to take the exam each school year.</p>	25
<p>TOTAL MAXIMUM POINTS</p>	125

The Agency will select a vendor based upon the criteria and standards contained in this RFP and from applying the weighting in this section. Oral interviews and reference checks, to the extent they are utilized by the Agency, will be used to refine, and finalize scores.

If the Agency decides to make an award based on these evaluations, the Agency will notify the selected vendor(s). Should the Agency be unable to reach agreement with the selected vendor(s) during Contract discussions, the Agency may then undertake Contract discussions with the next preferred vendor and so on, or the Agency may reject all proposals, cancel this RFP, or solicit new Proposals under a new acquisition process.

B. Planned Evaluations Steps

The Agency plans to use the following process:

- Step 1. Initial screening to ensure that the Proposals are in compliance with submission requirements
- Step 2. Evaluation of the Technical and Price Proposals
- Final Selection: Select the highest scoring vendor(s) and begin contract negotiation.

C. Step 1: Initial Screening

The Agency will conduct an initial screening to verify vendor compliance with the proposal submission requirements set forth in Sections 4 and 7. The Agency may waive or offer a limited

opportunity to cure immaterial deviations from the RFP requirements if it is determined to be in the best interest of the State.

D. Step 2: Evaluation of the Technical and Price Proposals

The Agency will establish an evaluation team to simultaneously review the technical and price proposals. It will score each proposal based on a common rubric and finalize the score as a committee. Vendors are advised that this **is not a low bid award** and that the scoring of the price proposal will be combined with the scoring of the technical proposal to determine the overall highest scoring vendor.

E. No Best and Final Offer

The Proposal should be submitted initially on the most favorable terms which the vendor can offer. There will be no best and final offer procedure.

F. Final Selection

The Agency will conduct a final selection based on the final evaluation of the proposals and begin contract discussions with the selected vendor(s).

G. Rights of the Agency in Accepting and Evaluating Proposals

The Agency reserves the right, at its sole discretion, to:

- Make independent investigations in evaluating proposals;
- Request additional information to clarify elements of a proposal;
- Waive minor or immaterial deviations from the RFP and contract requirements, if determined to be in the best interest of the State;
- Omit any planned evaluation step if, in the Agency's view, the step is not needed;
- Reject any and all proposals at any time; and
- Open contract discussions with the second highest scoring vendor and so on, if the Agency is unable to reach an agreement on contract terms with the higher scoring vendor(s).
