EHS Survey Results (1283 Responses)

77% Return to School
23% Remain Remote

25.1% Grade 9
24% Grade 11

25.7% Grade 10
25.1% Grade 12
IN PERSON SCHEDULE

7 Period Day Schedule
Two Cohorts (Alpha-split) 600 Students each.

- Monday, Wednesday, every other Friday A-L
- Tuesday, Thursday, every other Friday M-Z

*When students are not at EHS for classes on a particular day, they are expected to engage in Distance Learning.

**There is a chance teachers and periods of courses will change

***Open Campus will be extended to Juniors (with parent permission)
REMOTE SCHEDULE

- Schedule will mirror In-Person Schedule
  - To include 5 Days/Week Remote Instruction
  - Necessary to allow all students (both in-person and remote) access to all of their classes.
  - Remote learning platform will remain the same (Canvas, Zoom etc)

*High likelihood that teachers and periods of courses will change based on staffing and credentialing*
SCHEDULING

- Every effort will be made to maintain the integrity of the Master Schedule and fidelity to the 20-21 Course Selections
- Priority will be given to Core Courses and Graduation Requirements
- Maintain adherence to required teacher certifications/qualifications
  - Ex. Science - Biology, Physical Science, Chemistry, Physics are all different certifications.
  - Advanced Placement/Dual Enrollment courses need to be taught by teachers with additional credentialing
HEALTH and SAFETY PROTOCOLS

● All staff & students shall complete the health screening form each day
  ○ Likely to be in electronic form. Currently being piloted at CMS.

● Students shall not congregate outside or inside the building
  ○ Students should arrive between 7:10-7:25 and report directly to Period 1.
  ○ Students should depart campus immediately after period 7, unless staying for co-curriculars
    ■ If staying for co-curriculars students must report to their advisor/coach immediately

● Students shall adhere to social distancing protocols
  ○ Assigned seating in all classes, always maintain 6’ of social distancing.
  ○ Wear a mask while on campus
  ○ Follow traffic patterns in hallways, stairwells and common areas.
Projected Start Date: January 19, 2021

Rationale:

● Marks the beginning of Semester 2, which allows for the least number of disruptions to student schedules - (teachers/periods)
● Students’ schedules change due to the start of semester II courses
  ○ 85% of students are taking a semester I course (Grade 9 - 87%, Grade 10 - 91%, Grade 11 - 92%, Grade 12 - 71%)
  ○ Graduation Requirements that are semester courses:
    ○ Government, Economics, Health, Physical Education, Music/Art

This date provides a more seamless transition from remote to in-person learning, which allows for a natural break in regards to:

● Continuity of instruction and course planning
● Closing grades - semester courses will be completed without disruption
