| Conway | 30% | Hampton | 30% | Lincoln-Woodstock | 30% |
| Cornish | 30% | Hampton Falls | 30% | Lisbon Regional | 55% |

Building aid rates have been calculated in accordance with RSA 198:15-v. Rates are a function of the municipality's median family income and the equalized valuation per pupil. For cooperative schools and receiving districts, rates are weighted by the percentage of the average daily membership in residence (ADM-R) represented by each municipality which has entered into the agreement with the district.

Rates are subject to change.
