

LEA ARP ESSER Plan: "A Plan for the LEA's Use of ARP ESSER Funds"

Please submit in both Excel and PDF form to [ESSER@doe.nh.gov](mailto:ESSER@doe.nh.gov) by 1/13/2023.

The American Rescue Plan Elementary and Secondary School Emergency Relief ("ARP ESSER") Fund, authorized under the American Rescue Plan ("ARP") Act of 2021, provides New Hampshire over \$350 million to support schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the coronavirus disease 2019 ("COVID-19") pandemic.

This mandatory template is intended to collect all federally required information from an LEA in a convenient format and to assist LEAs in meeting the federal requirement that, requirement that, an LEA shall publish an LEA ARP ESSER Plan, which is often called a "school district use of funds plan." See the Department of Education's most current guidance posted here: <https://omb.report/ocr/202201-1810-002/doc/117519100>.

For further context, please reference ARPA (<https://www.congress.gov/bill/117th-congress/house-bill/1319/text>) or the Interim Final Requirements of ARP ESSER in which the U.S. Department of Education established these requirements (<https://www.govinfo.gov/content/pkg/FR-2021-04-22/pdf/2021-08359.pdf>).

### III. Stakeholder Engagement

#### Best Practices in Implementing ARP ESSER LEA Use of Funds Plan

- 1) How the LEA provided the public the opportunity to provide input in the development of the LEA's plan for the use of ARP ESSER funds:

**Yes - Description Required**

**Description:**

The re-opening task force was created in June 2020 to advise the superintendent of schools about how to re-open schools. In addition to the task force, five sub-groups were created that allowed greater participation in the community. More than 100 students, parents, teachers, and community members participated in sub-groups and provided detailed feedback to the greater task force. Task force meeting occurred over the past two years.

- 2) How the LEA took public input into account regarding the development of the LEA's plan for the use of ARP ESSER funds (please choose one):

**Yes - Description Required**

**Description:**

We invited all members of the public to provide additional input into the development of our ESSER Use of Funds plan and our use of ESSER funding. To provide input, community members complete this form: <https://forms.gle/kszyRdmkBRyUnZ6aA>. The form was posted to our website and emailed directly to various stakeholder groups. Once feedback was received, we made adjustments to our plan, including the need for outdoor classrooms.

- 3) How the LEA engaged in meaningful consultation with specific stakeholders, including, but not limited to:  
a. Students (please choose one):

**Yes - Description Required**

**1) Description:**

Our reopening task force included students. In addition, parents provided feedback regarding student needs through the task force and use of funds survey.

- i) Number of total responses: Over 100 stakeholders on reopening committee including parents and students.*
- ii) Uses consulted on: Consultation occurred regarding student needs in returning to school including the need for outdoor classrooms.*
- iii) Description of feedback received: : Most feedback from task force and survey included masking requirement to open schools this past fall and the need for SEL support for students who were returning from remote instruction.*

Please indicate how consultation was:

- 2) Inclusive: Task force was open to all community members (over 100 stakeholders involved). Use of funds survey posted to website and emailed directly to various stakeholder groups.**
- 3) Widely advertised and available: Task force membership and use of funds survey posted to our website. Use of funds survey was also sent directly to various stakeholder groups.**
- 4) Ongoing: Use of funds survey has been open since August and continues to stay open for feedback. Link is still posted to our website. Ongoing updates have been provided to our school board and community through board meetings.**

- b. Families (please choose one):

**Yes - Description Required**

**1) Description:**

Families were invited to be on our reopening task force. Use of funds survey was sent to families.

*(e) USES OF FUNDS.—A local educational agency that receives funds under this section—*

*(1) shall reserve not less than 20 percent of such funds to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on the student subgroups described in section 1111(b)(2)(B)(xi) of the Elementary and Secondary Education Act of 1965 (20U.S.C. 6311(b)(2)(B)(xi)), students experiencing homelessness, and children and youth in foster care; and*

*(2) shall use the remaining funds for any of the following:*

*(A) Any activity authorized by the Elementary and Secondary Education Act of 1965.*

*(B) Any activity authorized by the Individuals with Disabilities Education Act.*

*(C) Any activity authorized by the Adult Education and Family Literacy Act.*

*(D) Any activity authorized by the Carl D. Perkins Career and Technical Education Act of 2006.*

*(E) Coordination of preparedness and response efforts of local educational agencies with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to coronavirus.*

*(F) Activities to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including how outreach and service delivery will meet the needs of each population.*

*(G) Developing and implementing procedures and systems to improve the preparedness and response efforts of local educational agencies.*

*(H) Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases.*

*(I) Purchasing supplies to sanitize and clean the facilities of a local educational agency, including buildings operated by such agency.*

*(J) Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the Individuals with Disabilities Education Act and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.*

*(K) Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the local educational agency that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.*

*(L) Providing mental health services and supports, including through the implementation of evidence-based full-service community schools.*

*(M) Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, children with disabilities, English learners, migrant students, students experiencing homelessness, and children in foster care.*

*(N) Addressing learning loss among students, including low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care, of the local educational agency, including by—*

*(i) administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction;*

*(ii) implementing evidence-based activities to meet the comprehensive needs of students;*

*(iii) providing information and assistance to parents and families on how they can effectively support students, including in a distance learning environment; and*

*(iv) tracking student attendance and improving student engagement in distance education.*

*(O) School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.*

*(P) Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and non-mechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement.*

*(Q) Developing strategies and implementing public health protocols including, to the greatest extent practicable, policies in line with guidance from the Centers for Disease Control and Prevention for the reopening and operation of school facilities to effectively maintain the health and safety of students, educators, and other staff.*

*(R) Other activities that are necessary to maintain the operation of and continuity of services in local educational agencies and continuing to employ existing staff of the local educational agency.*

## Appendix B. Interim Final Requirements of ARP ESSER Excerpt

### Appendix B. Interim Final Requirements of ARP ESSER Excerpt

#### *(2) LEA ARP ESSER Plan.*

*(a) Each LEA that receives ARP ESSER funds must submit to the SEA, in such manner and within a reasonable timeline as determined by the SEA, a plan that contains any information reasonably required by the SEA. The plan, and any revisions to the plan submitted consistent with procedures established by the SEA, must describe—*

*(i) The extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning;*

*(ii) How the LEA will use the funds it reserves under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs;*

*(iii) How the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e) of the ARP Act; and*

*(iv) How the LEA will ensure that the interventions it implements, including but not limited to the interventions under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.*

*(b) In developing its ARP ESSER plan, an LEA must—*

*(i) Engage in meaningful consultation—*

*(A) With stakeholders, including: Students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions; and*

*(B) To the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students; and*

*(ii) Provide the public the opportunity to provide input and take such input into account.*

*(c) An LEA's ARP ESSER plan must be—*

*(i) In an understandable and uniform format;*

*(ii) To the extent practicable, written in a language that parents can understand or, if it is not practicable to provide written translations to a parent with limited English proficiency, be orally translated for such parent;*

*(iii) Upon request by a parent who is an individual with a disability as defined by the ADA, provided in an alternative format accessible to that parent; and*

*(iv) Be made publicly available on the LEA's website.*

Please follow these steps once all tabs of your Districts Excel workbook are completed.

1) Go to File:

2) Select "Save as Adobe PDF":

3) Select "Entire Workbook" and "Fit to paper width." Locate the "IV. Budget and Data Reporting" tab from the list beneath "Sheets in PDF." Select "Remove." The reason is because this spreadsheet is so large, that the information will not easily transpose. The V. Authorization tab will need to be printed manually from Excel. The print range within the Excel workbook has been established for all tabs outlined.

3) Items due to the NHDOE by 01/13/2023:

- A. NH ARP ESSER LEA Fund Use - Excel Workbook
  - i. Print the "V. Authorization" tab from Excel file
  - ii. Manually print and sign the "V. Authorization" tab from Excel file
- B. NH ARP ESSER LEA Fund Use - PDF Version
- C. Return each item listed above in one email message to ESSER@doe.nh.gov (3 separate attachments)
