

## *Time to report your wages*

It's time to report your gross monthly wages to Social Security for the month of September!

Here's a video about Wage Reporting.

## *You can report your wages online!*

You can now report your wages online using your personal and secure *my Social Security* account.

On a desktop, laptop, or mobile device, you or your representative payee can report your wages if you:

- Receive Social Security Disability Insurance (SSDI) benefits.
- Receive Supplemental Security Income (SSI).
- Receive both SSDI benefits and SSI.
- Are a spouse or parent who lives with a person who receives SSI.

After reporting your monthly wages online, you or your representative payee can save or print a copy of your receipt.
