Frequently Asked Questions

Subrecipient Monitoring FAQ

1. **Question:** If selected for a monitoring visit by the BFC, can it be conducted remotely?

Answer: Yes, the BFC gives each District/Charter School the choice if they would like the visit done onsite or remotely. A remote visit requires upload of all documentation to a shared site by the date of the monitoring visit.

2. **Question:** If selected for monitoring this fiscal year, will we be subject to a visit next fiscal year?

Answer: Selection is determined via the annual risk assessment which includes a variety of variables. Depending on the weight of each variable and the answers, will depend on which District/Charter School is monitored. A District/Charter School that is 'low risk' one fiscal year could be determined 'high risk' the following.
