

Dynamic Learning Maps® (DLM®) Alternate Assessment Technology Preparation: Kite® Student Portal

Step 1: Install Kite Student Portal

Kite Student Portal is a secure testing platform where students take the alternate assessment.

- Kite Student Portal must be installed on the device students will use for testing.
- Installation instructions and supported browsers are available at [Kite Suite](#)
- Kite Student Portal Sign In:

- Students will log in to the Kite Student Portal, to take the assessment using their username and password located on their individual test ticket. Test tickets are retrieved and can be printed by the test administrator in Kite Educator Portal.

❖ Prepare for the Alternate Assessment

To become familiar with Student Portal, teachers and students may use student demo accounts provided in the [Guide to Practice Activities and Released Testlets](#) to log in and practice first before taking the assessment.
