Section 1 – Overview and Schedule

1.1 Executive Summary

The NH Department of Education, Bureau of Adult Education, is seeking proposals from eligible organizations to provide test center coordination services including oversight for the testing center support program and the processing of third party payments from institutionalized test candidates and private foundations, for the period of February 1, 2021 until June 30, 2023 with the option to renew for three (3) additional years.

An eligible organization is a fiscally stable, New Hampshire based non-profit organization with experience in the field of adult education. A successful bidder should have demonstrated experience in partnering with local adult education centers and familiarity with New Hampshire’s approved high school equivalency exam.

The Bureau of Adult Education administers the high school equivalency program for the state of New Hampshire including contracting for testing services, approving and monitoring testing centers, establishing policies and procedures and issuing a high school equivalency certificate upon successful completion of the exam. The current test used for high school equivalency is the HiSET published by Educational Testing Service.

Approximately 1,000 NH residents earn high school equivalency certificates each year including students under 18 who have demonstrated the ability to pass the exam and students over 18 who did not complete high school for a variety of reasons.

There are thirty-five (35) HiSET Testing Centers across the state providing paper-based and computer-based testing services. There are seventy-four certified test administrators, however additional test administrators are needed as many current administrators are nearing retirement.

Training for new Test Administrators is a three-step process as follows:

1. The Chief Examiner must submit a Personnel Change form and a resume for a potential Test Administrator for approval by the Administrator at the Bureau of Adult Education.

2. Once approved, the trainee must complete the eLearning modules provided by Educational Testing Services demonstrating knowledge of required testing policies, procedures and security measures.

3. A trainee must observe at least one full testing session with an experienced Test Administrator and then participate in the administration of a full testing session with an experienced Test Administrator.
Anticipated funding for this project is as follows:

Section 2 - Description of Agency/Program Issuing the Request for Proposals

2.1 NH Department of Education

The Department of Education provides educational leadership and services which promote equal educational opportunities and quality practices and programs that enable New Hampshire residents to become fully productive members of society.

2.2 Bureau of Adult Education

The Bureau of Adult Education’s mission is to provide a variety of educational opportunities to empower adults to become lifelong learners, to support individuals in identifying and achieving their potential academic and/or career goals and to assist students to become active participants in their communities.

The Bureau oversees three types of programs:

2.2.1 Adult Education and Literacy Activities
There are twenty-one (21) centers offering basic reading, writing, math and English language acquisition skills under the requirements of the Workforce Innovation and Opportunities Act of 2014.

2.2.2 Adult Diploma Programs
There are twenty (20) local school districts that provide secondary level, credit-earning, courses in order for adults to earn a high school credential.

2.2.3 High School Equivalency Program
There are thirty-five (35) high school equivalency testing centers that offer the HiSET exam including eight (8) at county or state correctional facilities. Additionally, the Bureau issues high school equivalency certificates for successful completers; provide transcripts for high school equivalency scores upon request; and verifies high school equivalency certificate for employers and post-secondary institutions.
Section 3 – Proposed Scope of Work

The successful vendor will work closely with the Bureau of Adult Education to facilitate the administration of the high school equivalency testing program through test center coordination including oversight for the testing center support program for test administration, training and the facilitation of payments from institutionalized test candidates and private foundations.

3.1 Subtest Administration Support

Due to recent changes from a Test Center Administrator model to a Client Self-Service model under the state’s contract with Educational Testing Service, local testing centers no longer collect testing fees from test candidates to cover the cost of operating testing centers.

The vendor will be responsible for disbursing payments to cover a portion of the cost for test administration services at a rate determined by the Bureau. The current rate, applicable until such as time as the COVID-19 restrictions on capacity and additional time required to comply with health and safety measures, is $20.00 per administered subtest and an additional maximum of $50 per month reimbursement for required personal protective equipment and cleaning supplies. After restrictions due to the pandemic expire, the reimbursement rate shall be $15.00 per administered subtest.

The vendor shall use the Test Center Portal provided by ETS in order to verify the number of subtest administered at each testing center on a monthly basis and issue payments based on the established rates.

3.2 Training Support

The vendor shall support the recruitment and training of new test administrators to increase statewide testing capacity by providing a stipend of $25 per hour to the testing center for the trainee’s time spent in observation/participation activities. This is in addition to the subtest rates in Section 3.1.1. See Section 1 for training requirements.

3.3 Facilitation of Special Payments

3.3.1 NH State Prison Inmates

Incarcerated individuals at the NH State Prison are not allowed to use the Client Self-Service Model on the HiSET website because of facility restrictions on internet usage and the inability to provide electronic debit access to their accounts. The vendor shall accept payments for vouchers from test candidates who are incarcerated at the NH State Prison in exchange for test vouchers.

Inmates at the NH State Prison shall only be required to pay the ETS fees as published by the Bureau of Adult Education.
3.3.2 Other 3rd Party Payments
Additionally, the vendor shall receive payments and issue vouchers for ETS fees as published by the Bureau of Adult Education in the event of restricted private contributions for adult education students.

The Agency will review requested exceptions and accept, reject or note that it is open to negotiation of the proposed exception at its sole discretion. If the Agency accepts a Proposer’s exception the Agency will, at the conclusion of the inquiry period, provide notice to all potential proposers of the exceptions which have been accepted and indicate that exception is available to all potential proposers. 3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provide in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3. The Contractor agrees to permit the State or United States access to any of the Contractor’s books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services, to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

8. EVENT OF DEFAULT/REMEDIES.
8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):  
8.1.1 failure to perform the Services satisfactorily or on schedule;
8.1.2 failure to submit any report required hereunder; and/or
8.1.3 failure to perform any other covenant, term or condition of this Agreement.
8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State’s discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State’s discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.
