School Support and Accountability - Office of Elementary and Secondary Education
Title I 101 Training Objectives

• Understand the purpose of Title I, Part A
• Familiarize grantees with targeted versus schoolwide programming
• Provide technical assistance regarding grant requirements
• Share available resources
Types of Title I Schools
Targeted Assistance (TA)

A school that operates a targeted assistance model must use Title I funds to support specifically identified students.

Targeted assistance schools must determine which students they will serve by identifying the students with the greatest need for assistance from among the following eligible groups:

- Are failing, or at risk of failing, to meet state standards;
- Participated in certain federally-funded preschool programs (such as Head Start);
- Received services under the Migrant Education Program;
- Are in a local institution for neglected or delinquent children or are attending a community day program; or
- Are experiencing homelessness

Criteria

- Multiple, objective, educationally-related criteria.
- Attaching a range of points to each one. Highest to lowest

Rank Order

- LEAs must maintain rank-ordered lists of Title I students that record, from highest total selection criteria points to lowest, each student screened for targeted Title I assistance. Lists include selection score, indication of selection for service or not, and notation of any required services already provided (such as special education or English learner services).
Schoolwide Schools

- To improve academic achievement throughout a school so that all students, particularly the lowest-achieving students, and the historically underserved demonstrate proficiency related to the State’s academic standards.

- In a schoolwide program all students and staff may participate in Title I-funded activities, and the school may use Title I to support any reasonable activity designed to improve the school’s educational program so long as it is consistent with the school’s needs and plan.

- Involves conducting a comprehensive needs assessment and creating a schoolwide plan.

- Increased stakeholder involvement, including internal school administration and educators, and external families and community members.
Eligibility: Schoolwide

1. Must receive Title I funding.

2. Must have a poverty rate of at least 40%.

3. Complete requirements of becoming a school wide school over a one year period. See Title I Office for additional information.

   - conducting a comprehensive needs assessment and creating a schoolwide plan.

   - increased stakeholder involvement, including internal school administration and educators, and external families and community members.

   - all teachers and instructional paraeducators must meet NH State Certification requirements in order to begin operating as a schoolwide school.

   **Updated Guidance:** teachers working under an Alt 4 or Alt 5 plan approved by the NHDOE in the grade and content level may also be eligible.

   - must demonstrate that the school will provide effective, timely, additional assistance to students who experience difficulty in mastering the State’s academic achievement standards.
Accessing Title I Funds in the Grants Management System

- Request permission from the districts i4see Coordinator to gain access to the grant. Districts will need to repeat this process yearly and for each grant.

- Log in to the Grants Management System and choose the Title I grant for the current year.

- Program Assurances, GEPA and Equitable Services Documents are attached to the LEA Homepage
- All components of the detailed app have been completed

Required Set Aside Activities

- Equitable services
- Homeless Set-Aside
- Family Engagement Set-Aside: 1% of total allocation for grant amounts of $500,000 or more
Equitable Services—Private Schools and Title I

- If there are private schools in your district, they are entitled to receive services funded by Title I if they meet the eligibility requirements.

- LEAs must contact all private schools within their district & submit to the NHDOE all required forms signed by authorized individuals at both the district & private school. Only required to consult with Private Schools that serve a similar age range.

- Private schools outside of districts may contact districts to request information about services for students from that district.
Calculating Equitable Service

Districts will need the following in order to complete the calculation in the grant management system:

- The number of Free & Reduced Students from the public school using the data reports found on the NHED website https://www.education.nh.gov/who-we-are/division-of-educator-and-analytic-resources/bureau-of-education-statistics/free-and-reduced-lunch-eligibility

- The number of eligible students identified from each private school who’s sending public school attendance area receives Title I funding.
McKinney-Vento Homeless Set-aside

According to Title I, Part A, each LEA must reserve funds as necessary to provide services to homeless children who are attending elementary, middle, or high schools that are not Title I, Part A schools [20 U.S.C. § 6313(c)(3)(A)], as well as to provide services that remove barriers to education for students experiencing homelessness in Title IA schools.

- A meaningful consultation with district Homeless liaison is required to, determine the services to be provided and the allocation amount. Must be necessary and reasonable.

- Funds cannot be withdrawn once set-aside.

- District Set-aside- align to district and connect to priority

- Transportation Homeless Set Aside: the amount in excess of what the district is required to provide per pupil to transport students to and from school. This should appear in a separate activity.
Family Engagement

- LEAs who receive allocations greater than $500,000 must reserve 1% of total allocation for family engagement.

- Include all expenses in one activity and align to the district as this is a district set-aside.

- For more information about required Family Engagement activities please see the Title I Monitoring Guide.
