B. Award

If NHED decides to award a contract as a result of this RFP process, any award is contingent upon approval of the contract by the Governor and Executive Council of the State of New Hampshire and upon continued appropriation of funding for the contract.

NHED anticipates that the resulting contract from this RFP will be for the term of (5) years from the date of approval of the Governor and Executive Council and will include optional extension terms, as determined by NHED subject to the parties' prior written agreement and required governmental approvals including Governor and Executive Council.

C. Standard Contract Terms

NHED will require the selected vendor to execute a contract using the Standard Terms and Conditions of the State of New Hampshire (Form P-37) which is attached as Appendix A. In no event is a vendor to submit its own standard contract terms and conditions as a replacement for the State's terms in response to this solicitation.

The terms of this RFP and the selected vendor's Proposal will be used to form the terms of any resulting contract. The resulting contract may incorporate some or all of the selected vendor's Proposal. References in the P-37 to Exhibits A, B and C are references to the required structure of any resulting contract (Exhibit A – Special Provisions/Amendments to the P-37, Exhibit B – Scope of Services, and Exhibit C – Payment Terms) and are not references to sections of this RFP.

To the extent that a vendor believes that exceptions to the contract terms in Appendix A will be necessary for the vendor to enter into the contract, the vendor must identify those during the Vendor Inquiry Period, as further described Section 4B.

Section 4 – Request for Proposal Process

A. Agency Point of Contact/Restriction of Contact with Agency Employees

The sole point of contact for this RFP, from the RFP issue date until the approval of the resulting contract by the Governor and Executive Council is:

Angela Adams (Angela.Adams@doe.nh.gov)

From the date of release of this RFP until an award is made and announced regarding the selection of a vendor, all communication with personnel employed by or under contract with NHED regarding this RFP is prohibited unless first approved by the RFP Sole Point of Contact. Agency employees have been directed not to hold conferences and/or discussions concerning this RFP with any potential contractor during the selection process, unless otherwise authorized by the RFP Sole Point of Contact. Vendors may be disqualified for violating this restriction on communications.

B. Vendor Inquiries

All inquiries concerning this RFP, including but not limited to, requests for clarifications, questions, any changes to the RFP, and any exceptions to the contract terms in Appendix A, including the Form P-37, shall be submitted via email to NHED Point of Contact specified above. Inquiries must be received by the end of vendor inquiry period (see Schedule of Events herein).

The vendor must identify the RFP name and the number and include the vendor's name, telephone number, and e-mail address.

NHED will issue responses to properly submitted inquiries on or before the date specified in the Schedule of Events; however, this date is subject to change at NHED's discretion. NHED may consolidate and/or paraphrase questions for sufficiency and clarity. NHED may, at its discretion, amend this RFP on its own initiative or in response to issues raised by inquiries, as it deems appropriate. **In response to requested exceptions to P37, NHED will review requested exceptions and accept, reject or note that it is open to negotiation of the proposed exception at its sole discretion. Questions about or requested exceptions to the RFP, Form P-37 and/or any relevant attachments not raised during the inquiry period are waived.** Oral statements, representations, clarifications, or modifications concerning the RFP shall not be binding upon NHED. Official responses by NHED will be made only in writing by the process described above. Vendors shall be responsible for reviewing the most updated information related to this RFP before submitting a proposal.

Section 5 – RFP Terms and Conditions

A. Debarment

Vendors who are ineligible to bid on proposals, bids or quotes issued by the Department of Administrative Services, Division of Procurement and Support Services pursuant to the provisions of RSA 21-I:11-c shall not be considered eligible for an award under this RFP.

B. Proposal Preparation Cost

By submitting a proposal, a vendor agrees that in no event shall NHED be either responsible for or held liable for any costs incurred by a vendor in the preparation of or in connection with the Proposal, or for work performed prior to the Effective Date of a resulting Contract.

C. Validity of Proposal

Proposals must be valid for one hundred and eighty (180) days following the deadline for submission of Proposals in Schedule of Events, or until the Effective Date of any resulting Contract, whichever is later.

D. RFP Addendum

NHED reserves the right to amend this RFP at its discretion, prior to the Proposal submission deadline. In the event of an addendum to this RFP, NHED, at its sole discretion, may extend the Proposal submission deadline, as it deems appropriate.

E. Non-Collusion

The vendor's signature on a Proposal submitted in response to this RFP guarantees that the prices, terms and conditions, and work quoted have been established without collusion with other Vendors and without effort to preclude NHED from obtaining the best possible competitive Proposal.

F. Property of NHED

All material received in response to this RFP shall become the property of NHED and will not be returned to the vendor. Upon contract award, NHED reserves the right to use any information presented in any Proposal.

G. Proposal Confidentiality

Unless necessary for the approval of a contract, the substance of a proposal must remain confidential until the Effective Date of any Contract resulting from this RFP. A vendor's disclosure or distribution of Proposals other than to NHED may be grounds for disqualification.

H. Public Disclosure

The information submitted in response to this RFP (including all materials submitted in connection with it, such as attachments, exhibits, addenda, and presentations), any resulting contract, and information provided during the contractual relationship may be subject to public disclosure under Right-to-Know law, including RSA 91-A. In addition, in accordance with RSA 9-F:1, any contract entered into as a result of this RFP will be made accessible to the public online via the website Transparent NH (<http://www.nh.gov/transparentnh/>).

Confidential, commercial or financial information may be exempt from public disclosure under RSA 91-A:5, IV. If a vendor believes any information submitted in response to this RFP should be kept confidential, the vendor must specifically identify that information where it appears in the submission in a manner that draws attention to the designation and must mark/stamp each page of the materials that the vendor claims must be exempt from disclosure as "CONFIDENTIAL." Vendors must also provide a letter to the person listed as the point of contact for this RFP, identifying the specific page number and section of the information you consider to be confidential, commercial or financial and providing your rationale for each designation. Marking or designating an entire proposal, attachment or section as confidential shall neither be accepted nor honored by the State. Vendors must also provide a separate copy of the full and complete document, fully redacting those portions and shall note on the applicable page or pages that the redacted portion or portions are "confidential."

Submissions which do not conform to these instructions by failing to include a redacted copy (if necessary), by failing to include a letter specifying the rationale for each redaction, by failing to designate the redactions in the manner required by these instructions, or by including redactions which are contrary to these instructions or operative law may be rejected by the State as not conforming to the requirements of the proposal.

Pricing, which includes but is not limited to, the administrative costs and other performance guarantees in Proposals or any subsequently awarded contract shall be subject to public disclosure regardless of whether it is marked as confidential.

Notwithstanding a vendor's designations, the State is obligated under the Right-to-Know law to conduct an independent analysis of the confidentiality of the information submitted in a proposal. If a request is made to the State to view or receive copies of any portion of the proposal, the State

shall first assess what information it is obligated to release. The State will then notify you that a request has been made, indicate what, if any, information the State has assessed is confidential and will not be released, and specify the planned release date of the remaining portions of the proposal. To halt the release of information by the State, a vendor must initiate and provide to the State, prior to the date specified in the notice, a court action in the Superior Court of the State of New Hampshire, at its sole expense, seeking to enjoin the release of the requested information.

By submitting a proposal, vendors acknowledge and agree that:

- The State may disclose any and all portions of the proposal or related materials which are not marked as confidential and/or which have not been specifically explained in the letter to the person identified as the point of contact for this RFP;
- The State is not obligated to comply with a vendor's designations regarding confidentiality and must conduct an independent analysis to assess the confidentiality of the information submitted in your proposal; and
- The State may, unless otherwise prohibited by court order, release the information on the date specified in the notice described above without any liability to a vendor.

I. Electronic Posting of RFP Results and Resulting Contract

At the time of receipt of proposals, NHED will post the number of responses received with no further information. No later than five (5) business days prior to submission of a contract to the Department of Administrative Services, NHED will post the ranks or scores of each responding vendor. In the event that the contract does not require Governor & Executive Council approval, NHED will disclose the rank or score at least 5 business days before final approval of the contract.

Pursuant to RSA 91-A and RSA 9-F:1, the Secretary of State will post to the public any document submitted to G&C for approval, including contracts resulting from this RFP, and posts those documents on its website (<https://sos.nh.gov/administration/miscellaneous/governor-executive-council/>). By submitting a proposal, vendors acknowledge and agree that, in accordance with the above mentioned statutes and policies, (and regardless of whether any specific request is made to view any document relating to this RFP), any contract resulting from this RFP that is submitted to G&C for approval will be made accessible to the public online.

J. Non-Commitment

Notwithstanding any other provision of this RFP, this RFP does not commit NHED to award a contract. NHED reserves the right, at its sole discretion, to reject any and all proposals, or any portions thereof, at any time; to cancel this RFP; and to solicit new proposals under a new acquisition process.

K. Ethical Requirements

From the time this RFP is published until a contract is awarded, no vendor shall offer or give,

directly or indirectly, any gift, expense reimbursement, or honorarium, as defined by RSA 15-B, to any elected official, public official, public employee, constitutional official, or family member of any such official or employee who will or has selected, evaluated, or awarded an RFP, or similar submission. Any vendor that violates RSA 21-G:38 shall be subject to prosecution for an offense under RSA 640:2. Any vendor who has been convicted of an offense based on conduct in violation of this section, which has not been annulled, or who is subject to a pending criminal charge for such an offense, shall be disqualified from bidding on the RFP, or similar request for submission and every such vendor shall be disqualified from bidding on any RFP or similar request for submission issued by any state agency. A vendor that was disqualified under this section because of a pending criminal charge which is subsequently dismissed, results in an acquittal, or is annulled, may notify the department of administrative services, which shall note that information on the list maintained on the state's internal intranet system, except in the case of annulment, the information, shall be deleted from the list.

L. Challenges to Identification of Selected Vendor

Within 5 business days of NHED's posting of the rank or score on its website, vendors may, in accordance with RSA 21-G:37, request that NHED review its selection process. The request must be in writing and must specify all points on which the vendor believes NHED erred in its process and shall contain such argument in support of its position as the vendor seeks to present. In its request for review, a vendor shall not submit, and an agency will not accept nor consider, any substantive information that was not included in the original proposal. NHED will respond to the request within 5 business days of its receipt.

Section 6 – Evaluation of Proposals

A. Criteria for Evaluation and Scoring

NHED will evaluate each responsive Transcription Proposal using a scoring scale of 100 points, which will be distributed as set forth below.

40 Points	Plan for services that details how vendor anticipates providing services
40 Points	Expertise/experience in producing high quality transcripts
20 Points	Price Proposal

NHED will select a vendor based upon the criteria and standards contained in this RFP and from applying the weighting in this section.

If NHED, decides to make an award based on these evaluations, NHED will notify the selected vendor(s). Should NHED be unable to reach agreement with the selected vendor(s) during Contract discussions, NHED may then undertake Contract discussions with the next preferred vendor and so on, or NHED may reject all proposals, cancel this RFP, or solicit new Proposals under a new acquisition process.

B. Planned Evaluations Steps

NHED plans to use the following process:

- Step 1. Initial screening to ensure that the Transcription Proposals are in compliance with submission requirements;
- Step 2. Preliminary evaluation of Transcription Proposals;
- Step 3. Price Proposals review;
- Final Selection: Select the highest scoring vendor(s) and begin contract execution.

C. Step 1: Initial Screening

NHED will conduct an initial screening to verify vendor compliance with the proposal submission requirements set forth in Sections 4 and 7. NHED may waive or offer a limited opportunity to cure immaterial deviations from the RFP requirements if it is determined to be in the best interest of the State.

D. Step 2: Scoring of Proposals

NHED will establish an evaluation team to review for compliance of the minimum requirements as set forth in Section 2. This evaluation team will then review the proposals and give a preliminary score to the proposals under the guidelines set forth in Section 6. Should a vendor fail to achieve 50 Points in the preliminary scoring, it will receive no further consideration from the evaluation team.

E. Step 3: Price Proposal Review

Price proposals will be reviewed upon completion of the scoring of the transcription proposals. The vendor’s price proposal will be allocated a maximum potential score of 20 points. Vendors are advised that this **is not a low bid award** and that the scoring of the price proposal will be combined with the scoring of the technical proposal to determine the overall highest scoring vendor.

The following formula will be used to assign points for costs:

Vendor’s Price Score = (Lowest Proposed Price / Vendor’s Proposed Price) x Number of Points for Score

For the purpose of use of this formula, the lowest proposed price is defined as the lowest price proposed by a vendor who has scored above the minimum necessary for consideration on the Transcription Proposal Score.

F. No Best and Final Offer

The Proposal should be submitted initially on the most favorable terms which the vendor can offer. There will be no best and final offer procedure.

G. Final Selection

NHED will conduct a final selection based on the final evaluation of the proposals and begin contract discussions with the selected vendor(s).

H. Rights of NHED in Accepting and Evaluating Proposals

NHED reserves the right, at its sole discretion, to:

- Make independent investigations in evaluating proposals;
- Request additional information to clarify elements of a proposal;
- Waive minor or immaterial deviations from the RFP and contract requirements, if determined to be in the best interest of the State;
- Omit any planned evaluation step if, in NHED's view, the step is not needed;
- Reject any and all proposals at any time; and
- Open contract discussions with the second highest scoring vendor and so on if NHED is unable to reach an agreement on contract terms with the higher scoring vendor(s).

The time of receipt shall be considered when a Proposal has been officially documented by NHED, in accordance with its established policies, as having been received at the location designated below. NHED accepts no responsibility for damaged, mislabeled, or undeliverable emailed proposals.

Proposals must include one electronic copy of the Proposal with all Confidential Information fully redacted, as provided for in Section 5H of this RFP.
