

Have You Updated Your College Board Account Yet?

It's quick, easy, and more secure.

College Board professional accounts are being updated to a more modern, improved user experience. You'll now log in using a unique and valid email address instead of a username. The update takes less than 3 minutes!

Follow these simple steps:

- 1 Sign in to your account with your current credentials.
- 2 Verify your email address.
- 3 Create a password.
- 4 Add and verify a mobile phone number (optional).
- 5 Opt in to multifactor authentication (MFA) for added security.
