

UpReach Vocational Training Program

Vocational Program
now qualifies for
High School Credit!

Quality for High School Credit!

Unique program focused on skills development in a barn setting with horses. Offers students the opportunity to learn and develop hard and soft skills as they work with equines. Skills learned are fully transferable and applicable for employment, as well as continuing education opportunities.

Program Details:

- Ages 14+
- Each week focuses on a specific skill with time to practice and review.
- Formal skill evaluation with competency summary provided upon program completion.
- All materials and equipment provided by UpReach.
- Small group size to allow for direct coaching and hands on learning.
- Facilitated by Allison McCully, Unmounted Program Manager
BS, Equine Science, University of NH, PATH Certified Equine Specialist in Mental Health and Learning

"The UpReach vocational program allowed Amanda to take something she loves, build on her knowledge and gain skills which led to her being able to get a job in what she loves!

I am not sure it would have happened without the education she gained at class.

She is excited to go to work, independent in the barn and happy to be around the horses!

Thank you UpReach for creating a program that has changed Amanda's life."

-Sue C., Parent

Program Benefits Include

Hard Skills:

Equine safety, daily routine/care, emergency care, facility maintenance and safety.

Soft Skills:

Confidence, independence, teamwork and interpersonal skills, dependability, reliability, critical and analytical thinking, communication, professionalism, accountability.

**Includes all materials and supplies.*

Learn Everywhere: Education Beyond the Classroom

The UpReach Vocational Training Program is approved through the NH Department of Education for Learn Everywhere. Students enrolled in public high school, who complete the UpReach Vocational Training Program are eligible to receive one open elective credit toward graduation.

What is Learn Everywhere?

In New Hampshire, students have the opportunity to expand their education through hands-on, real-world experience through the Learn Everywhere program.

This innovative program gives NH students the chance to acquire knowledge and skill that will not only help them graduate, but also gives them a jump start towards employment.

The Learn Everywhere program was conceived and created to expand learning opportunities for New Hampshire public school students.
