In addition, in accordance with RSA 9-F:1, any contract entered into as a result of this RFP will be made accessible to the public online via the website Transparent NH (<http://www.nh.gov/transparentnh/>).

Confidential, commercial or financial information may be exempt from public disclosure under RSA 91-A:5, IV. If a vendor believes any information submitted in response to this RFP should be kept confidential, the vendor must specifically identify that information where it appears in the submission in a manner that draws attention to the designation and must mark/stamp each page of the materials that the vendor claims must be exempt from disclosure as "CONFIDENTIAL." Vendors must also provide a letter to the person listed as the point of contact for this RFP, identifying the specific page number and section of the information you consider to be confidential, commercial or financial and providing your rationale for each designation. Notwithstanding a vendor's designations, the State is obligated under the Right-to-Know law to conduct an independent analysis of the confidentiality of the information submitted in a proposal. If a request is made to the State to view or receive copies of any portion of the proposal, the State shall first assess what information it is obligated to release. The State will then notify you that a request has been made, indicate what, if any, information the State has assessed is confidential and will not be released, and specify the planned release date of the remaining portions of the proposal. To halt the release of information by the State, a vendor must initiate and provide to the State, prior to the date specified in the notice, a court action in the Superior Court of the State of New Hampshire, at its sole expense, seeking to enjoin the release of the requested information.

By submitting a proposal, vendors acknowledge and agree that:

- The State may disclose any and all portions of the proposal or related materials which are not marked as confidential and/or which have not been specifically explained in the letter to the person identified as the point of contact for this RFP;

- The State is not obligated to comply with a vendor's designations regarding confidentiality and must conduct an independent analysis to assess the confidentiality of the information submitted in your proposal; and
- The State may, unless otherwise prohibited by court order, release the information on the date specified in the notice described above without any liability to a vendor.

#### **I. Electronic Posting of RFP Results and Resulting Contract**

At the time of receipt of proposals, the Agency will post the number of responses received with no further information. No later than five (5) business days prior to submission of a contract to the Department of Administrative Services, the Agency will post the ranks or scores of each responding vendor. In the event that the contract does not require Governor & Executive Council approval, the Agency will disclose the rank or score at least 5 business days before final approval of the contract.

Pursuant to RSA 91-A and RSA 9-F:1, the Secretary of State will post to the public any document submitted to G&C for approval, including contracts resulting from this RFP, and posts those documents on its website (<https://sos.nh.gov/administration/miscellaneous/governor-executive-council/>). By submitting a proposal, vendors acknowledge and agree that, in accordance with the above mentioned statutes and policies, (and regardless of whether any specific request is made to view any document relating to this RFP), any contract resulting from this RFP that is submitted to G&C for approval will be made accessible to the public online.

#### **J. Non-Commitment**

Notwithstanding any other provision of this RFP, this RFP does not commit the Agency to award a contract. The Agency reserves the right, at its sole discretion, to reject any and all proposals, or any portions thereof, at any time; to cancel this RFP; and to solicit new proposals under a new acquisition process.

#### **K. Ethical Requirements**

From the time this RFP is published until a contract is awarded, no vendor shall offer or give, directly or indirectly, any gift, expense reimbursement, or honorarium, as defined by RSA 15-B, to any elected official, public official, public employee, constitutional official, or family member of any such official or employee who will or has selected, evaluated, or awarded an RFP, or similar submission. Any vendor that violates RSA 21-G:38 shall be subject to prosecution for an offense under RSA 640:2. Any vendor who has been convicted of an offense based on conduct in violation of this section, which has not been annulled, or who is subject to a pending criminal charge for such an offense, shall be disqualified from bidding on the RFP, or similar request for submission and every such vendor shall be disqualified from bidding on any RFP or similar request for submission issued by any state agency. A vendor that was disqualified under this section because of a pending criminal charge which is subsequently dismissed, results in an acquittal, or is annulled, may notify the department of administrative services, which shall note that information on the list maintained on the state's internal intranet system, except in the case of annulment, the information, shall be deleted from the list.

**L. Challenges to Identification of Selected Vendor**

Within 5 business days of the Agency’s posting of the rank or score on its website, vendors may, in accordance with RSA 21-G:37, request that the agency review its selection process. The request must be in writing and must specify all points on which the vendor believes the agency erred in its process and shall contain such argument in support of its position as the vendor seeks to present. In its request for review, a vendor shall not submit, and an agency will not accept nor consider, any substantive information that was not included in the original proposal. The agency will respond to the request within 5 business days of its receipt.

**SECTION 6 – Evaluation of Proposals**

**A. Criteria for Evaluation and Scoring**

The Agency will evaluate each responsive Proposal using a scoring scale of 100 points, which will be distributed as set forth in the table below.

CATEGORIES	POINTS
TECHNICAL PROPOSAL with the following potential maximum scores for each Technical Proposal category;	
APPROACH – Statement outlining the overall approach to be employed by the bidder and deliverables.	10
PROJECT SUMMARY- Description of the bidder’s plan for project implementation, timeframe, and strategies for meeting the deliverables.	30
RESOURCE LEVERAGING AND PARTNERS-Description of community partners to be engaged and outreach plan.	10
ORGANIZATIONAL CAPABILITIES - Description of the bidder’s organizational capabilities to deliver the services, including a brief description of their company, a history of their firms and/or personal experience in implementing similar projects, including at least once example if a completed project of comparable scope. A description of related experience in providing event planning, and comprehensive résumés for all staff who will work on this project and three references along with your proposal.	25
BUDGET PROPOSAL- The budget will explain how all costs listed in the budget are necessary, reasonable, and allocable to deliver the outcomes specified in the proposal. All expenditures should be clearly connected to an activity related to the services to be provided.	25
TOTAL MAXIMUM POINTS	100

Budget Item	FY24 (7/1/23-6/30/24)	FY25 (7/1/24-6/30/25)	Total

The Agency will select a vendor based upon the criteria and standards contained in this RFP and from applying the weighting in this section. Oral interviews and reference checks, to the extent they are utilized by the Agency, will be used to refine and finalize scores.

If the Agency, decides to make an award based on these evaluations, the Agency will notify the selected vendor(s). Should the Agency be unable to reach agreement with the selected vendor(s) during Contract discussions, the Agency may then undertake Contract discussions with the next preferred vendor and so on, or the Agency may reject all proposals, cancel this RFP, or solicit new Proposals under a new acquisition process.

**B. Planned Evaluations Steps**

The Agency plans to use the following process:

- Step 1. Initial screening to ensure that the Proposals follow submission requirements.
- Step 2. Preliminary evaluation of the Technical Proposals.
- Step 3. Oral interviews and Product Demonstrations (if necessary);
- Step 4. Final Scoring of Technical Proposals.
- Step 5. Price Proposals review.
- Step 6. Best and Final Offer (BAFO) if appropriate; and
- Final Selection: Select the highest scoring vendor(s) and begin contract execution.

**C. Step 1: Initial Screening**

The Agency will conduct an initial screening to verify vendor compliance with the proposal submission requirements set forth in Sections 4 and 7. The Agency may waive or offer a limited opportunity to cure immaterial deviations from the RFP requirements if it is determined to be in the best interest of the State.

**D. Step 2: Preliminary Technical Scoring of Proposals**

The Agency will establish an evaluation team to review for compliance of the minimum requirements as set forth in Section 2. This evaluation team will then review the technical proposals and give a preliminary score to the technical proposals under the guidelines set forth in Section 6. Should a vendor fail to achieve 60 Points in the preliminary technical scoring, it will receive no further consideration from the evaluation team and the vendor’s price proposal will be returned unopened. Price proposals will not be reviewed by the evaluation team during the preliminary technical review.

### **E. Step 3: Oral Interviews and Product Demonstrations**

If the Agency determines that it is appropriate, vendors may be invited to oral interviews and/or product demonstrations including demonstrations of any proposed automated systems or technology components. The Agency retains the sole discretion to determine whether to conduct oral interviews, with which vendors; and the number of interviews. Vendors are advised that the Agency may decide to conduct interviews with less than all responsive vendors.

The purpose of oral interviews and product demonstrations is to clarify and expound upon information provided in the written proposals. Vendors are prohibited from altering the basic substance of their proposals during the oral interviews and product demonstrations. The Agency may ask the vendor to provide written clarifications of elements in their technical proposal regardless of whether it intends to conduct oral interviews.

Information gained from oral interviews and product demonstrations will be used to refine technical review scores assigned from the initial review of the proposals.

### **F. Step 4: Final Technical Scoring of Proposals**

Following oral interviews, product demonstrations, reference checks (if appropriate) and/or review of written clarifications of proposals requested by the Agency, the evaluation team will determine a final score for each technical proposal.

### **G. Step 5: Price Proposal Review**

Price proposals will be reviewed upon completion of the final technical scoring of proposals. The vendor's price proposal will be allocated a maximum potential score of 20 points. Vendors are advised that this **is not a low bid award** and that the scoring of the price proposal will be combined with the scoring of the technical proposal to determine the overall highest scoring vendor.

The following formula will be used to assign points for costs:

$$\text{Vendor's Price Score} = (\text{Lowest Proposed Price} / \text{Vendor's Proposed Price}) \times \text{Number of Points for Score}$$

For the purpose of use of this formula, the lowest proposed price is defined as the lowest price proposed by a vendor who has scored above the minimum necessary for consideration on the Technical Score.

### **H. No Best and Final Offer**

The Proposal should be submitted initially on the most favorable terms which the vendor can offer. There will be no best and final offer procedure.

## **I. Final Selection**

The Agency will conduct a final selection based on the final evaluation of the proposals or, if requested, as a result of the Best and Final Offer, and begin contract discussions with the selected vendor(s).

## **J. Rights of the Agency in Accepting and Evaluating Proposals**

The Agency reserves the right, at its sole discretion, to:

- Make independent investigations in evaluating proposals;
- Request additional information to clarify elements of a proposal;
- Waive minor or immaterial deviations from the RFP and contract requirements, if determined to be in the best interest of the State;
- Omit any planned evaluation step if, in the Agency's view, the step is not needed;
- Reject any and all proposals at any time; and

In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**9. TERMINATION.**

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.
