

WRSD Plan on the Safe Return to In-Person Instruction and Continuity of Services

This document is intended to meet the federal statutory requirement that, within 30 days of receiving ARP ESSER LEA allocation (anticipated May 24th), an LEA shall publish an LEA Plan on the Safe Return to In Person Instruction and Continuity of Services, which is often called a “school district reopening plan.”

Note, if an LEA developed a plan before *The American Rescue Plan Act* (ARPA) was enacted on 03/11/2021 that complied with the federal statutory requirements for public posting and comments but does not meet all of the requirements below, then the LEA must revise its plan no later than six months after receiving ARP ESSER funds

For further context, please reference ARPA (<https://www.congress.gov/bill/117th-congress/house-bill/1319/text>) or the Interim Final Requirements of ARP ESSER (<https://www.govinfo.gov/content/pkg/FR-2021-04-22/pdf/2021-08359.pdf>).

I. General Information

1. LEA Name: Winnisquam Regional School District
2. Date of Publication: August 2020

II. Transparency and Accessibility

1. This plan for the safe return to in-person instruction and continuity of services was published and made publicly available online here: <https://www.wrdsau59.org/>
Description:
<https://docs.google.com/document/d/1f110GN2C97GYw-ObflxmzDEqmPKhNP-icTxq8MXqE88/edit?usp=sharing>. Our plan evolved over the course of the 2020-21 school year and continues to be updated periodically as regulations and recommendations are made. All significant changes are authorized by the school board.
2. Before making the plan publicly available, the LEA sought public comment on the plan and took such comments into account in the development of the plan? Yes
Description: We have been regularly speaking with parents, board members, staff, students and others regarding our plan. Also, members of the public were part of the development of the plan. There is also a [feedback form](#) available on the website and via the bottom of this form.
3. The plan is in an understandable and uniform format: Yes
Description: The plan is in a Google Doc format with a linked table of contents by key word search.
4. The plan, to the extent practicable, is written in a language that parents can understand or, if not practicable, orally translated: Yes
Description: Typed, clear language, definitions provided, etc. We also have links to other resources embedded in the plan.
5. The plan, upon request by a parent who is an individual with a disability, is provided in an alternative format accessible to that parent: Yes
Description: We would accommodate any request made.

III. Health and Safety

1. How the LEA will maintain the health and safety of students, educators, and other school and LEA staff:
Description during SY20-21: Our plan is quite extensive in its protective features. We required face coverings, physical distancing, daily screenings, facing one direction, additional cleaning, maximizing outdoor air handling, quarantine for those meeting criteria established by NH DHHS,

mask breaks outdoors, etc.

Description during SY21-22: In the year ahead, we will maintain all recommended guidelines as reported by NH DHHS.

2. The LEA's adoption of the following CDC health and safety strategies are described below: (Note federal regulation on this plan requires such reporting, but does not require adoption of CDC safety recommendations. The NH DOE recognizes schools will implement localized safety measures based on the guidance provided by the CDC, NH Public Health, and local public health officials.)

- a. Universal and correct wearing of masks:

During SY20-21: Yes During SY21-22: Comply with NH DHHS

Description of both SYs: WRSD will comply with NH DHHS guidelines. As they reduce the requirements, so will the district.

VIII. Appendices

Appendix A. ARPA Statutory Excerpt

“(i) Safe return to in-person instruction.—

(1) IN GENERAL.—A local educational agency receiving funds under this section shall develop and make publicly available on the local educational agency’s website, not later than 30 days after receiving the allocation of funds described in paragraph (d)(1), a plan for the safe return to in-person instruction and continuity of services.

(2) COMMENT PERIOD.—Before making the plan described in paragraph (1) publicly available, the local educational agency shall seek public comment on the plan and take such comments into account in the development of the plan.

(3) PREVIOUS PLANS.—If a local educational agency has developed a plan for the safe return to in-person instruction before the date of enactment of this Act that meets the requirements described in paragraphs (1) and (2), such plan shall be deemed to satisfy the requirements under this subsection.”

Appendix B. Interim Final Requirements of ARP ESSER Excerpt

“(3) *LEA Plan for Safe Return to In-Person Instruction and Continuity of Services.*

(a) An LEA must describe in its plan under section 2001(i)(1) of the ARP Act for the safe return to in-person instruction and continuity of services—

(i) how it will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the CDC:

(A) Universal and correct wearing of masks.

(B) Modifying facilities to allow for physical distancing (*e.g.*, use of cohorts/ podding).

(C) Handwashing and respiratory etiquette.

(D) Cleaning and maintaining healthy facilities, including improving ventilation.

(E) Contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments.

(F) Diagnostic and screening testing.

(G) Efforts to provide vaccinations to school communities.

(H) Appropriate accommodations for children with disabilities with respect to health and safety policies.

(I) Coordination with State and local health officials.

(ii) how it will ensure continuity of services, including but not limited to services to address students’ academic needs and students’ and staff social, emotional, mental health, and other needs, which may include student health and food services.

(b) (i) During the period of the ARP ESSER award established in section 2001(a) of the ARP Act, an LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in person instruction and continuity of services.

(ii) In determining whether revisions are necessary, and in making any revisions, the LEA must seek public input and take such input into account.

(iii) If at the time the LEA revises its plan the CDC has updated its guidance on reopening schools, the revised plan must address the extent to which the LEA has adopted policies, and describe any such

policies, for each of the updated safety recommendations.

(c) If an LEA developed a plan prior to enactment of the ARP Act that meets the statutory requirements of section 2001(i)(1) and (2) of the ARP Act but does not address all the requirements in paragraph (a), the LEA must, pursuant to paragraph (b), revise and post its plan no later than six months after receiving its ARP ESSER funds to meet the requirements in paragraph (a).

(d) An LEA's plan under section 2001(i)(1) of the ARP Act for the safe return to in-person instruction and continuity of services must be—

(i) In an understandable and uniform format;

(ii) To the extent practicable, written in a language that parents can understand or, if it is not practicable to provide written translations to a parent with limited English proficiency, be orally translated for such parent; and

(iii) Upon request by a parent who is an individual with a disability as defined by the ADA, provided in an alternative format accessible to that parent.”
