Dear Parent/Guardian:

During this time of remote instruction, your school district will be utilizing online resources to provide continuing classroom instruction to students. In order to ensure that every child in the class receives the instruction, the online instruction will be video and audio recorded so that it can be accessed at a later time.

The primary focus of the video and audio recording will be on the instruction and the teacher, not on the students in the class. However, questions and comments asked and spoken by students will be part of the recording.

Only students assigned to that specific class will have access to the video recording. Otherwise, the recordings will not be made public by the online vendor or the school district in any capacity. The form provided below will be used to document your permission for these activities.

Sincerely,
