189:13-a School Employee and Volunteer Criminal History Records Check. –

I.(a) The employing school administrative unit, school district, or chartered public school shall complete a criminal history records check on every selected applicant for employment in any position in the school administrative unit, school district, or chartered public school prior to a final offer of employment. A public academy approved by the New Hampshire state board of education shall submit a criminal history records check on applicants for employment pursuant to this section. A school administrative unit, school district, chartered public school, or public academy may extend a conditional offer of employment to a selected applicant, with a final offer of employment subject to a successfully completed criminal history records check. No selected applicant may be extended a final offer of employment unless the school administrative unit, school district, chartered public school, or public academy has completed a criminal history records check. The school administrative unit, school district, chartered public school, or public academy shall not be held liable in any lawsuit alleging that the extension of a conditional or final offer of employment to an applicant, or the acceptance of volunteer services from a designated volunteer, with a criminal history was in any way negligent or deficient, if the school administrative unit, school district, chartered public school, or public academy fulfilled the requirements of this section.

(b) A nonpublic school may elect to require a criminal history records check on selected applicants for employment or selected volunteers. A nonpublic school that elects to conduct a criminal history records check shall comply with the procedures and requirements set forth in this section.

II. The selected applicant for employment or designated volunteer with a school administrative unit, school district, chartered public school, or public academy shall submit to the employer a notarized criminal history records release form, as provided by the division of state police, which authorizes the release of information regarding the presence or absence of any record of convictions of the applicant of felonies or of charges pending disposition for or convictions of the applicant of the crimes listed in paragraph V. The applicant shall submit with the release form a complete set of fingerprints taken by a qualified law enforcement agency or an authorized employee of the school administrative unit, school district, chartered public school, or public academy. In the event that the first set of fingerprints is invalid due to insufficient pattern and a second set of fingerprints is necessary in order to complete the criminal...

history records check, the conditional offer of employment shall remain in effect. If, after 2 attempts, a set of fingerprints is invalid due to insufficient pattern, the school administrative unit, school district, chartered public school, or public academy may, in lieu of the criminal history records check, accept police clearances from every city, town, or county where an applicant has lived during the past 5 years.

III. The school administrative unit, school district, chartered public school, or public academy shall submit the criminal history records release form to the New Hampshire state police which shall conduct a criminal history records check through its records and through the Federal Bureau of Investigation. The state police shall examine the list of crimes constituting grounds for non-approval of employment, or non-acceptance of volunteer services in that school administrative unit, school district, chartered public school, or public academy, and shall report the presence or absence of any such crime to the school administrative unit, school district, chartered public school, or public academy. Under no circumstances shall the criminal records be released to the school administrative unit, school district, chartered public school, or public academy. The school administrative unit, school district, chartered public school, or public academy shall maintain the confidentiality of all criminal history records information received pursuant to this paragraph. If the criminal history records information indicates no criminal record, the school administrative unit, school district, chartered public school, or public academy shall destroy the information received immediately following its review of the information. If the criminal history records information indicates that the applicant has been convicted of a felony or has been charged pending disposition for or convicted of a crime listed in paragraph V, the school administrative unit, school district, chartered public school, or public academy shall review the information for a hiring decision, and the division of state police shall notify the department of education of any such charges pending disposition or convictions. The school administrative unit, school district, chartered public school, or public academy shall destroy any criminal history record information that indicates a criminal record within 30 days of receiving such information.

IV. The school administrative unit, school district, chartered public school, or public academy may require the selected applicant for employment or designated volunteer to pay the actual costs of the criminal history records check.

V. Any person who has been charged pending disposition for or convicted of any violation or attempted violation of RSA 630:1; 630:1-a; 630:1-b; 630:2; 632-A:2; 632-A:3; 632-A:4; 633:1; 639:2; 639:3; 645:1, II or III; 645:2; 649-A:3; 649-A:3-a; 649-A:3-b; 649-B:3; or 649-B:4; or any violation or any attempted violation of RSA 650:2 where the act involves a child in material deemed obscene; in this state, or under any statute prohibiting the same conduct in another state, territory, or possession of the United States, shall not be hired by a school administrative unit, school district, [or] chartered public school, or public academy. By decision of the appropriate governing body, a school administrative unit, school district, chartered public school, or public academy may deny a selected applicant a final offer of
employment if such person has been convicted of any felony in addition to those listed above. The governing body may adopt a policy stating that any person who has been convicted of any felony, or any of a list of felonies, shall not be hired.

VI. This section applies to any employee, selected applicant for employment, designated volunteer, or volunteer organization which contracts with a school administrative unit, school district, chartered public school, or public academy to provide services, including but not limited to cafeteria workers, school bus drivers, custodial personnel, or any other service where the contractor or employees of the contractor provide services directly to students of the district chartered public school, or public academy. The cost for criminal history records checks for employees or selected applicants for employment with such contractors shall be borne by the contractor.

VII. The school administrative unit, school district, chartered public school, or public academy shall not be required to complete a criminal history records check on volunteers, provided that the governing body of a school administrative unit, school district, chartered public school, or public academy shall adopt a policy designating certain categories of volunteers as “designated volunteers” who may be required to undergo a criminal history records check.

VIII. A school administrative unit, school district, chartered public school, public academy, or school official acting pursuant to a policy establishing procedures for certain volunteers shall be immune from civil or criminal liability, provided the school administrative unit, school district, chartered public school, public academy, or school official has in good faith acted in accordance with said policy. Nothing in this paragraph shall be deemed to grant immunity to any person for that person’s reckless or wanton conduct.

IX.(a) Substitute teachers, student teachers, student interns, and other educational staff shall apply for a criminal history records check at the employing school administrative unit, school district, chartered public school, or public academy. The division of state police shall complete the criminal history records check and, upon completion, shall issue a letter to the applicant. The letter shall be valid for 30 days from the date of issue and shall constitute satisfactory proof of compliance with this section.

(b) Student teachers and student interns shall submit a criminal history records check upon enrollment in a teacher preparation program, but shall not be required to submit additional criminal history records checks if the student teacher or student intern maintains continuous enrollment in the teacher preparation program.

X. Violations of this section shall be jointly investigated by the state police and the department of education. Information obtained through such investigations shall remain confidential and shall not be subject to RSA 91-A.

XI. In this section, “public academy” shall have the same meaning as in RSA 194:23, II.

School Employee Criminal History Records Check

(f) A SAU, school board, or charter school board of trustees may deny a selected applicant a final offer of employment if such person has been convicted of conduct in addition to (e) above as determined by the SAU, school district, or charter school.

Criminal Records Check Through the Division of State Police, Department of Safety

(a) The law (RSA 189:13-a) requires that a SAU, school district, charter school, public academy, or non-public school must submit to the State Police a complete set of fingerprints and a notarized release form for each individual covered by the law. The state police must conduct a New Hampshire criminal records check, and will forward the fingerprints to the FBI for a national records' check. The FBI will not conduct that check without a proper set of fingerprints.

(b) The state police will provide to each SAU, school district, charter school, public academy, or non-public school a set of records release forms and fingerprints cards. The records release forms and the fingerprint cards, provided by the state police, will be the only types of forms which will be accepted. However each SAU, school district, charter school, public academy, or non-public school may produce the release form as is necessary.

(c) The selected applicant will complete the release form, have it notarized and bring the fingerprint card to a person qualified to take fingerprints. Depending on arrangements that have been made by the district, this may be a local law enforcement agency, an employee of the Department of Safety, or a trained individual employed by the selected an employed by the SAU, school district, charter school, public academy, or non-public school.

(d) The SAU, school district, charter school, public academy, or non-public school will then forward the release form and the fingerprints to the state police. The submission of the release form and the fingerprints must be accompanied by the proper fees, which cover the cost of both the state and federal records check. Inadequate fees will delay the process. The fee schedule currently in effect is attached. Notification of any future fee adjustments will be made to the SAUs, school districts, charter schools, public academies, or non-public schools.

(e) The criminal History check conducted by the FBI may take up to two weeks. The FBI will forward the results to the state police and the state police will send a notification indicting the presence or absence of a criminal conviction to the hiring agency. If there is no criminal history record the FBI
will destroy the fingerprint impressions once the check has been completed. Similarly, no copy of the fingerprints will be kept by the state police.

(f) The New Hampshire and FBI results of the completed criminal history records checks by the state police will be mailed to the SAU, school district, charter school, public academy, or non-public school.

Criminal History Records Check by the State Police for Persons Seeking to Work for Several School Districts.

Substitute teachers, student teachers, student interns\(^2\), and other educational staff\(^3\) are permitted to apply to work or volunteer in multiple schools, but pay only once for the education criminal history records check process. The results of the records check will be shared with any other schools identified at the time of initiating the records check process.

Applicants seeking to apply in multiple SAU, school districts, charter schools, public academies, or non-public schools will apply at one SAU, school district, charter school, public academy, or non-public school and then contact the Criminal Records Unit via a completed Application to Multiple Schools form (supplied to applicant by the SAU, school district, charter school, public academy, or non-public school). The form will have the name of the submitting SAU, school district, charter school, public academy, or non-public school, and the identity of any other education locations the applicant seeks to work.

The applicant’s submitting SAU, school district, charter school, public academy will forward the NH CHRI authorization form and (if inked) the applicant’s tenprint card to the state police.

---

\(^2\) Student teachers and student interns shall submit a criminal history records check upon enrollment in a teacher preparation program, but shall not be required to submit additional criminal history records checks if the student teacher or student intern maintains continuous enrollment in the teacher preparation program.

\(^3\) Other educational staff is defined as any individual seeking employment by applying to multiple schools simultaneously (example: newly certified teachers, etc.)
Fingerprints.

(a) The overriding issues with respect to the fingerprints are that they be taken properly on the FBI Applicant Fingerprint Card supplied by the State Police.

(b) The law allows this to be done by a qualified law enforcement agency, an employee of the Department of Safety or an authorized person employed by the SAU, school district, charter school, public academy, or non-public school.

(c) If, after two attempts a set of fingerprints is invalid, a SAU, school district, charter school, public academy, or non-public school may, in lieu of fingerprints accept clearances from every city, town or county where an applicant has lived during the past five years.

(d) In order to assure that completed criminal history records checks are returned to the correct SAU’s, school districts, charter schools, public academies, or non-public schools. The SAU, school district, charter school, public academy, or non-public school must place the name, address and identification number in Employer and Address section and the OCA section of the FBI Applicant Fingerprint Card.

Conditional Offer of Employment.

(a) A SAU, school district, charter school, public academy, or non-public school may extend a conditional offer of employment to a selected applicant, with a final offer of employment subject to a successful completed records check including a criminal history records check.

(b) A selected applicant extended a conditional offer of employment shall be eligible for the same salary and fringe benefits as if he/she were provided a final offer of employment.

(c) A conditional offer of employment may continue during the time the SAU, school district, or charter school is awaiting receipt of a completed criminal history records notifications.

(d) In the event that the first set of fingerprints is invalid and a second set of fingerprints is necessary in order to complete the criminal history records check the conditional offer of employment shall remain in effect.
(e) No selected applicant may be extended a final offer of employment unless the school administrative unit, school district, chartered public school or public academy has completed a criminal history check.

Final Offer of Employment.

(a) A SAU, school district, charter school, public academy, or non-public school may extend a final offer of employment to a selected applicant, who has a conditional offer of employment, if the selected applicant receives a successfully completed records check including a criminal history records check.

(b) If a selected applicant is extended a final offer of employment, the individual shall be entitled to membership in the collective bargaining unit subject to the requirements of RSA 273-A and shall immediately be covered by the terms and conditions of the collective bargaining agreement.

Records Retention.

Under no circumstances shall actual criminal records be released to a SAU, school district, charter school, public academy, or non-public school. Under no circumstances shall a criminal history records notification be kept more than thirty days.

Contractors Or Subcontractor Responsibility.

(a) An employee background investigation including a criminal history records check shall be conducted by a contractor or subcontractor for each employee in regular contact with pupils in accordance with this advisory.

(b) The cost of such investigation, including criminal history records checks for employees or selected applicants for employment with such contractors shall be borne by the contractor or subcontractor.
School Employee Criminal History Records Check

(c) The contractor or subcontractor shall submit to the SAU, school district, charter school, public academy, or non-public school a written verification that a criminal history records check has been done for each employee of the contractor or subcontractor who is regularly in contact with pupils.

(d) In the event that services performed by a SAU, school district, charter school, public academy, or non-public school are now provided by a contractor an employee criminal history records check shall not be required for a school employee who becomes an employee of the contractor.

Unsuccessful Criminal History Records Notification.

If a SAU, school district, charter school, public academy, or non-public school receives a criminal history records notification which states “has been charged pending disposition for or does have a conviction” for crimes listed in RSA 189:13-a V or a conviction of identified felony offenses submitted by that agency’s governing authority for a selected applicant the SAU, school district, charter school, public academy, or non-public school, shall immediately, within 24 hours of receipt of such report, excluding Saturday, Sunday, or a holiday, dismiss the selected applicant.

Cost of a Criminal History Records Check.

The cost of a criminal history records check or any other relevant records check shall be borne by the selected applicant unless otherwise determined by a SAU, school board, charter school, public academy, or non-public school.

The State Police Criminal Records Unit now offers livescan fingerprint capture for individuals requiring a record check through the FBI. This digital capture of fingerprint impressions will nearly eliminate poor print rejection from the FBI.

Location: Department of Safety Building, 33 Hazen Drive, Concord, NH 03305 - First Floor, Room 124 (Note: Visa, M/C, AMEX and Discover cards accepted at this livescan location only). Hours of Operation: Monday – Friday 8:30 a.m. to 3:30 p.m.

ADDED LIVESCAN LOCATIONS FOR APPLICANT AND LICENSING FINGERPRINTING
